WHY INVEST IN CYBR?

- ✓ Rising cyberattacks, cloud migration, and AI-driven security are accelerating demand for cybersecurity
- ✓ Cybersecurity is non-discretionary spend: organizations cannot afford to cut it
- ✓ Diversified exposure to cybersecurity in a single ticker

INDEX METHODOLOGY

The Index provides focused exposure to developed-market companies operating at the core of global cybersecurity. It includes businesses involved in network security software, access and policy management, customer-premises security equipment, data centres and colocation services, and critical network management and government IT solutions. To ensure investability, constituents must meet minimum size and liquidity requirements. Each constituent is market-cap-weighted with individual security weights capped at 7.5% to help manage concentration risk, and the index is rebalanced quarterly.⁴

The world is evolving – your investments should too.

Evolve Funds Group Inc. is the investment fund manager and portfolio manager. Evolve Cyber Security Index Fund (“CYBR”) is offered by Evolve Funds Group Inc., and distributed through authorized dealers.

The information contained herein is a general description and is not intended to be specific investment advice to any particular investor nor intended to be investment or tax advice. You should not act or rely on the information contained herein without seeking the advice of an appropriate professional advisor. The information contained herein is intended for informational purposes as a summary only, does not constitute an offer to sell any securities or a legally binding obligation, it is qualified entirely by, and should be read in conjunction with, the more detailed information appearing in the prospectuses found on the Evolve Funds Group Inc website at <https://evolveetfs.com/>

Leverage increases risk.

The unpredictable nature of the cryptoassets can lead to loss of funds.

Commissions, trailing commissions, management fees and expenses all may be associated with exchange traded funds (ETFs) and mutual funds. Please read the prospectus before investing. The indicated rates of return are the historical annual compound total returns net of fees (except for figures of one year or less, which are simple total returns) including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. ETFs and mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

The rates of return shown in the table are used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the ETF and mutual fund or returns on investment in the ETF and mutual fund.

Certain statements contained herein are forward-looking. Forward-looking statements (“FLS”) are statements that are predictive in nature, depend upon or refer to future events or conditions, or that include words such as “may,” “will,” “should,” “could,” “expect,” “anticipate,” “intend,” “plan,” “believe,” or “estimate,” or other similar expressions. Statements that look forward in time or include anything other than historical information are subject to risks and uncertainties, and actual results, actions or events could differ materially from those set forth in the FLS. FLS are not guarantees of future performance and are by their nature based on numerous assumptions. Although the FLS contained herein are based upon what Evolve Funds Group Inc. and the portfolio manager believe to be reasonable assumptions, neither Evolve Funds Group Inc. nor the portfolio manager can assure that actual results will be consistent with these FLS. The reader is cautioned to consider the FLS carefully and not to place undue reliance on FLS. Unless required by applicable law, it is not undertaken, and specifically disclaimed that there is any intention or obligation to update or revise FLS, whether as a result of new information, future events or otherwise.
