INVESTMENT OBJECTIVE

Evolve Active Core Fixed Income Fund ("FIXD") seeks to provide a stable rate of return, primarily through income, and to a lesser extent, capital appreciation. FIXD invests primarily in domestic and international high quality fixed income securities, and to a lesser extent, adding yield or enhancing returns on the portfolio by opportunistically investing in international fixed income securities, emerging market debt, preferred shares, convertible bonds and non-investment grade bonds.

Who Should Consider This Fund?

Investors who are:

- Seeking exposure to an actively managed portfolio of high quality fixed income securities issued by corporations and governments
- Willing to take the risks associated with international fixed income securities, emerging market debt, preferred shares, convertible bonds and non-investment grade bonds
- Seeking enhanced yield potential and a steady source of income from their investment

Percentages may not add up to 100% due to rounding.

¹ Trailing 12-month yield represents the yield an investor would have received if they held the fund over the past twelve months, based on the Net Asset Value (NAV) as at March 31, 2026. It is calculated as the sum of all the regular distribution amounts over the past twelve months, and then divided by the NAV calculated on March 31, 2026.

² Plus applicable sales taxes.
