INVESTMENT OBJECTIVE

Premium Cash Management Fund ("MCAD") seeks to maximize current income while at the same time preserving capital and maintaining liquidity, by investing primarily in Canadian dollar-denominated high-quality short term debt securities (with a term to maturity of 365 days or less).

BENEFITS OF INVESTING IN MCAD

- Active cash management solution to benefit from changing market environments
- Liquidity and capital preservation with convenience and flexibility
- Attractive yield with minimal credit risk
- Complement or alternative to Guaranteed Investment Certificates (GICs)
- Available in ETF and mutual fund versions (Class F and A)

DISCLAIMER

Evolve Funds Group Inc. is the investment fund manager and portfolio manager. Premium Cash Management Fund ("MCAD") is offered by Evolve Funds Group Inc., and distributed through authorized dealers.

The information contained herein is a general description and is not intended to be specific investment advice to any particular investor nor intended to be investment or tax advice. You should not act or rely on the information contained herein without seeking the advice of an appropriate professional advisor. The information contained herein is intended for informational purposes as a summary only, does not constitute an offer to sell any securities or a legally binding obligation, it is qualified entirely by, and should be read in conjunction with, the more detailed information appearing in the prospectuses found on the Evolve Funds Group Inc website at <https://evolveetfs.com/>

Designed for retail investors.

Commissions, trailing commissions, management fees and expenses all may be associated with exchange traded funds (ETFs) and mutual funds. Please read the prospectus before investing.

³The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. ETF and mutual fund units are not covered by the Canadian Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you.

⁴The indicated rates of return are the historical annual compound total returns net of fees (except for figures of one year or less, which are simple total returns) including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns.

ETFs and mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.

The rates of return shown in the table are used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the ETF and mutual fund or returns on investment in the ETF and mutual fund.
