ABOUT EVOLVE ETFs

With over \$9 billion in assets under management, Evolve specializes in bringing innovative ETFs to Canadian investors. Evolve’s suite of ETFs provides investors with access to: (i) index-based income strategies; (ii) long term investment themes; and (iii) some of the world’s leading investment managers.

Our team at Evolve is made up of industry veterans with deep experience and proven track records in asset management. Our goal is to bring differentiated investment solutions to Canadians, including partnerships with leading global investment managers, as well as facilitating investments encompassing topics that intersect in Canadians’ daily lives. Evolve creates investment products that make a difference.

The world is evolving – your investments should too.

Evolve Funds Group Inc. is the investment fund manager and portfolio manager. Premium Cash Management Fund (“MCAD”) is offered by Evolve Funds Group Inc., and distributed through authorized dealers.

The information contained herein is a general description and is not intended to be specific investment advice to any particular investor nor intended to be investment or tax advice. You should not act or rely on the information contained herein without seeking the advice of an appropriate professional advisor. The information contained herein is intended for informational purposes as a summary only, does not constitute an offer to sell any securities or a legally binding obligation, it is qualified entirely by, and should be read in conjunction with, the more detailed information appearing in the prospectuses found on the Evolve Funds Group Inc website at <https://evolveetfs.com/>

Leverage increases risk.

The unpredictable nature of the cryptoassets can lead to loss of funds.

Commissions, trailing commissions, management fees and expenses all may be associated with exchange traded funds (ETFs) and mutual funds. Please read the prospectus before investing. The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. ETF and mutual fund units are not covered by the Canadian Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Past performance may not be repeated.

The rates of return shown in the table are used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the ETF and mutual fund or returns on investment in the ETF and mutual fund.

Certain statements contained herein are forward-looking. Forward-looking statements (“FLS”) are statements that are predictive in nature, depend upon or refer to future events or conditions, or that include words such as “may,” “will,” “should,” “could,” “expect,” “anticipate,” “intend,” “plan,” “believe,” or “estimate,” or other similar expressions. Statements that look forward in time or include anything other than historical information are subject to risks and uncertainties, and actual results, actions or events could differ materially from those set forth in the FLS. FLS are not guarantees of future performance and are by their nature based on numerous assumptions. Although the FLS contained herein are based upon what Evolve Funds Group Inc. and the portfolio manager believe to be reasonable assumptions, neither Evolve Funds Group Inc. nor the portfolio manager can assure that actual results will be consistent with these FLS. The reader is cautioned to consider the FLS carefully and not to place undue reliance on FLS. Unless required by applicable law, it is not undertaken, and specifically disclaimed that there is any intention or obligation to update or revise FLS, whether as a result of new information, future events or otherwise.
