Evolve ETFs Announces Filing of Preliminary Prospectus for Global Bond ETF sub-advised by Allianz Global Investors

TORONTO – October 12, 2018 – Evolve Funds Group Inc. (“Evolve ETFs”) is pleased to announce that it has filed a preliminary prospectus with the Canadian securities regulators for the Evolve Active Global Fixed Income ETF (“EARN”). EARN is an actively managed exchange traded fund (“ETF”) that invests primarily in global debt securities of corporate issuers. Evolve ETFs has appointed Allianz Global Investors (“Allianz GI”) as sub-advisor for EARN.

“We are very pleased to partner with Allianz Global Investors, one of the world’s leading active investment managers,” said Raj Lala, President & CEO of Evolve ETFs. “Advisor and investor appetites for active management in fixed income continues to grow with an emphasis on security selection, credit analysis and risk management. Last year 40% of all Canadian fixed income ETF inflows were into active ETFs. AllianzGI provides extensive global resources and investment expertise, as fixed income securities continue to be a core component of investor portfolios.”

EARN seeks to generate positive returns throughout interest rate and economic cycles, firstly by allocating to different credit asset classes, and also through bottom-up individual security selection. EARN seeks to provide long term returns in excess of the 3 month U.S. dollar London Interbank Offered Rate by investing primarily in global debt securities of corporate issuers.

Allianz Global Investors has approximately USD $612 billion in assets under management as of June 30, 2018, including USD $36 billion in global fixed income.

“The opportunity to expand our presence in the Canadian market through this partnership with Evolve ETFs feels both well-timed and well-matched,” said David Newman, Head of Global High Yield at AllianzGI. “While Evolve has deep knowledge of the Canadian ETF market that we have been looking to break into, AllianzGI brings decades of experience across credit markets, and a team that has been a pioneer of global fixed income. Together, we can create a strong foothold in Canada with active management being the driving force that aligns us in sub-advising our first active ETF and delivering value to financial advisors and Evolve’s clients.”

Evolve ETFs, a registered investment fund manager and portfolio manager, will act as promoter, manager, trustee and portfolio manager of EARN and will be responsible for the administration of EARN.

A preliminary prospectus containing important information relating to securities of the Evolve ETF has been filed with the securities commissions or similar authorities in all provinces and territories of Canada. The preliminary prospectus is still subject to completion or amendment. A copy of the preliminary prospectus is available on SEDAR (www.sedar.com). There will not be any sale or acceptance of an offer to buy the securities until a receipt for the final prospectus has been issued.
