INVESTMENT OBJECTIVE

EARN seeks to generate positive returns throughout the interest rate and economic cycles, firstly by allocating to different credit asset classes, and also through bottom-up individual security selection. EARN seeks to provide long term returns in excess of the 3 month U.S. dollar London Interbank Offered Rate ("LIBOR") by investing primarily in global debt securities of corporate issuers.

CREDIT ALLOCATION

³ For the period ending December 31, 2019. The indicated rates of return are the historical annual compounded total returns including changes in per unit value and reinvestment of all dividends or distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. The rates of return shown in the table are not intended to reflect future values of the ETF or returns on investment in the ETF. ETFs are not guaranteed, their values change frequently and past performance may not be repeated.

⁴ Performance since inception on November 14, 2018, as at December 31, 2019.

ABOUT ALLIANZ GLOBAL INVESTORS (www.allianzgi.com)

Allianz Global Investors is a leading active asset manager with over 700 investment professionals in 25 offices worldwide and managing over \$577 billion in assets, including over \$212 billion in fixed income*. Active is the most important word in our vocabulary. Active is how we create and share value with clients. We believe in solving, not selling, and in adding value beyond pure economic gain. We invest for the long term, employing our innovative investment expertise and global resources. Our goal is to ensure a superior experience for our clients, wherever they are based and whatever their investment needs.

Active is: Allianz Global Investors
