²For the period ending May 31, 2019. The indicated rates of return are the historical annual compounded total returns including changes in per unit value and reinvestment of all dividends or distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. The rates of return shown in the table are not intended to reflect future values of the ETF or returns on investment in the ETF. ETFs are not guaranteed, their values change frequently and past performance may not be repeated.

³ Performance since inception on February 12, 2018, as at May 31, 2019.

⁴ The North American Marijuana Index (NAMMAR Index) tracks the performance of a basket of North American publicly listed companies with significant business activities in the marijuana industry.
