**AMENDMENT NO. 1 DATED DECEMBER 19, 2019 TO THE
PROSPECTUS DATED NOVEMBER 15, 2019**

FOR

**HIGH INTEREST SAVINGS ACCOUNT FUND
(FORMERLY HIGH INTEREST SAVINGS ACCOUNT ETF)
(the “Evolve Fund”)**

The prospectus of the Evolve Fund dated November 15, 2019 (the “**Prospectus**”) is hereby amended and is to be read subject to the additional information set forth below. Corresponding changes reflecting this amendment are hereby made to any applicable disclosure throughout the Prospectus. In all other respects, the disclosure in the Prospectus is not revised.

All capitalized terms not defined in this Amendment No. 1 have the respective meanings set out in the Prospectus.

High Interest Savings Account ETF will be renamed High Interest Savings Account Fund. All references to the “Evolve ETF” in the Prospectus are deleted and replaced with the “Evolve Fund”.

New Mutual Fund Units

The Prospectus is being amended to permit the Evolve Fund to offer for sale on a continuing basis class A mutual fund units (“**Class A Mutual Fund Units**”), class F mutual fund units (“**Class F Mutual Fund Units**”) and class I mutual fund units (“**Class I Mutual Fund Units**”, and together with the Class A Mutual Fund Units and Class F Mutual Fund Units, the “**Mutual Fund Units**”). The Mutual Fund Units are denominated in Canadian dollars. The units of the Evolve Fund (“**ETF Units**”) qualified under the Prospectus and the Mutual Fund Units qualified for distribution pursuant to this Amendment No. 1 are collectively referred to as “**Units**”.

Unitholders or their investment professional are responsible for determining which class of Mutual Fund Units of the Evolve Fund is appropriate for purchase. All orders are based on the next NAV calculated after the Manager’s receipt of an order. Different classes or series may have different minimum investment levels and may require investors to pay different fees. There is no limit on the number of Mutual Fund Units an investor can buy.

Investors can buy or redeem Mutual Fund Units through a qualified financial advisor or broker. All orders are based on the next NAV calculated after the Manager’s receipt of an order. Redemption orders which are received by the Manager before 4:00 p.m. (Toronto time) or such other cut-off time as specified by the Manager on any Valuation Date (as defined herein) will be priced using that day’s NAV.

Investment Objectives and Strategies

The investment objectives, strategies and restrictions of the Evolve Fund have not changed.

Fees and Expenses

Fees and Expenses Payable by the Evolve Fund

Management Fees

The Management Fee for the ETF Units has not changed.

The Management Fee for the Class A Mutual Fund Units is 0.40% of the NAV of the Evolve Fund, calculated daily and payable monthly in arrears, plus applicable taxes.

The Management Fee for the Class F Mutual Fund Units is 0.15% of the NAV of the Evolve Fund, calculated daily and payable monthly in arrears, plus applicable taxes.

There are no Management Fees payable by the Evolve Fund for Class I Mutual Fund Units. The Management Fee for the Class I Mutual Fund Units is negotiated in a subscription agreement with the Manager and paid directly by holders of Class I Mutual Fund Units, not by the Fund. The maximum rate of the Management Fee for Class I Mutual Fund Units is 1.00% of the NAV of the Evolve Fund.

Operating Expenses

Fundserv fees are added to the Operating Expenses of the Evolve Fund.

Fees and Expenses Payable Directly By Unitholders

Class A Mutual Fund Units Sales Charges

An investor's dealer, investment advisor or financial advisor may charge a sales charge of up to 5% of the purchase price of the Class A Mutual Fund Units at the time of purchase. The Manager deducts the sales charge from the amount invested and pays it on behalf of the Unitholder to the applicable dealer, investment advisor or financial advisor dealer as a commission.

Short-term Trading Fees

At the present time, the Manager is of the view that it is not necessary to impose any short-term trading restrictions on the ETF Units.

If a Unitholder redeems Mutual Fund Units within 30 days of purchasing such Mutual Fund Units, the Manager may charge a short-term trading fee on behalf of the Evolve Fund of up to 2% of the value of such Mutual Fund Units in circumstances where the Manager determines that the trading activity represents market timing or excessive short-term trading. No short-term trading fees are charged on redemptions that may occur when a Unitholder fails to meet the minimum investment amount for the Evolve Fund.

Impact of Sales Charges

The following table shows the fees that a Unitholder would pay if:

- (a) the Unitholder invested \$1,000 in Mutual Fund Units or ETF Units; and
- (b) the Unitholder held that investment for one, three, five or 10 years and redeemed the entire investment immediately before the end of that period.

	Fee at time of purchase ⁽²⁾	Redemption fee before end of:			
		1 year	3 years	5 years	10 years
ETF Units	Nil	Nil	Nil	Nil	Nil
Class A Mutual Fund Units	\$50 ¹	Nil	Nil	Nil	Nil
Class F Mutual Fund Units	Nil	Nil	Nil	Nil	Nil
Class I Mutual Fund Units	Nil	Nil	Nil	Nil	Nil

Note:

⁽¹⁾ Assumes the maximum initial sales charge of 5%. The actual amount of the initial sales charge will be negotiated by the Unitholder and his or her dealer. The Manager does not receive a sales charge or commission when an investor buys, redeems or switches Mutual Fund Units or ETF Units.

Risk Factors

The following language is added to the beginning of the section “Risk Factors” on page 3 of the Prospectus:

“A mutual fund is a pool of investments made on behalf of people with a similar investment objective. When a Unitholder invests in a mutual fund, the Unitholder’s money is working together with that of many other investors. Investors share a mutual fund’s income, expenses, gains and losses in proportion to their interest in the mutual fund. Mutual funds can give individuals the advantages of a simpler, more accessible, less expensive and less time-consuming method of investing in a portfolio of securities.

Mutual funds own different types of investments, depending upon their investment objectives. The value of these investments will change from day to day, reflecting changes in interest rates, economic conditions and market and company news. As a result, the value of a mutual fund’s units may go up and down, and the value of a Unitholder’s investment in a mutual fund may be more or less at the time of redemption or sale as compared to the value of the Units at the time of purchase.”

The following risk factor replaces the risk factor entitled “Limited Operating History and Absence of an Active Market” on page 5 of the Prospectus:

“Limited Operating History and Absence of an Active Market

The Evolve Fund is a recently organized investment trust with limited operating history as an ETF and no operating history as a mutual fund. Although the ETF Units are listed on the NEO, there can be no assurance that an active public market for the ETF Units will develop or be sustained.”

The following additional risk factors are added after “Limited Operating History and Absence of an Active Market”:

“No guarantees

An investment in the Evolve Fund is not guaranteed. Unlike bank accounts or guaranteed investment certificates (GICs), mutual fund securities are not covered by Canada Deposit Insurance Corporation or any other government deposit insurer.

Suspension of redemptions

Under exceptional circumstances, the Evolve Fund may suspend redemptions. See “Suspension of Redemptions”.

Suitability

This section describes the type of investment portfolio or investor the Evolve Fund may be suitable for. This is meant as a general guide only. For advice about individual circumstances, Unitholders and investors are encouraged to consult their financial advisor.

The Evolve Fund is for investors:

- seeking exposure to high interest deposit accounts by purchasing an ETF on a recognized stock exchange in Canada;
- that are looking for a liquid, short term investment;
- want to receive regular monthly cash flows (if any); and
- can tolerate low risk.

Distribution Policy

The distribution policy of the Evolve Fund has not changed.

Distributions payable on Mutual Fund Units, if any, will be payable periodically as set out in the Prospectus and will be automatically reinvested in additional Mutual Fund Units of the same class or series, as the case may be. Holders of Mutual Fund Units who wish to receive cash as of a particular dividend/distribution record date should speak with their broker, dealer or investment advisor for details.

The fourth paragraph under the heading “Distribution Policy” on page 6 of the Prospectus is deleted and replaced with the following:

“If, for any taxation year, after the ordinary distributions, if any, there would remain in the Evolve Fund additional net income or net realized capital gains, the Evolve Fund will be required to pay or make payable such net income and net realized capital gains as one or more special year-end distributions in such year to Unitholders as is necessary to ensure that the Evolve Fund will not be liable for income tax on such amounts under Part I of the Tax Act (after taking into account all available deductions, credits and refunds). Such special distributions may be paid in the form of Units of the particular class and/or cash. Any special distributions payable in Units of a class will increase the aggregate adjusted cost base of a Unitholder’s Units of such class. Immediately following payment of such a special distribution in Units of a class, the number of Units held by a Unitholder will be automatically consolidated such that the number of Units of such class held by the Unitholder after such distribution will be equal to the number of Units of such class held by such Unitholder immediately prior to such distribution, except in the case of a non-resident Unitholder to the extent tax is required to be withheld in respect of the distribution.”

Purchases of Mutual Fund Units

Investors can buy or sell Mutual Fund Units through a qualified financial advisor or broker. All orders are based on the next NAV calculated after the Manager’s receipt of an order. Unitholders can switch Mutual Fund Units for another class of Mutual Fund Units through a registered broker or dealer. Unitholders cannot transfer or switch Mutual Fund Units for ETF Units or ETF Units for a class of Mutual Fund Units.

Class A Mutual Fund Units

Class A Mutual Fund Units are available to all investors through authorized dealers.

Class F Mutual Fund Units

Class F Mutual Fund Units are available to investors who have fee based accounts with their dealer. The Manager has designed the Class F Mutual Fund Units to offer investors an alternative means of paying their dealer for investment advice and other services. Instead of paying sales charges, investors buying Class F Mutual Fund Units pay fees to their dealer for investment advice and other services. The Manager does not pay

any commissions to dealers in respect of the Class F Mutual Fund Units, which allows it to charge a lower Management Fee.

If a Unitholder ceases to be eligible to hold Class F Mutual Fund Units, the Manager may switch a Unitholder's Class F Mutual Fund Units into Class A Mutual Fund Units after providing the Unitholder with 5 days' notice, unless the Unitholder notifies the Manager during the notice period and the Manager agrees that such Unitholder is once again eligible to hold Class F Mutual Fund Units. Unitholders may be charged a sales commission in connection with the switch by their dealer.

Class I Mutual Fund Units

Class I Mutual Fund Units are designed for institutional investors, including funds, and investors who meet the criteria established by the Manager. The management fees for Class I Mutual Fund Units are negotiated in a subscription agreement with the Manager and paid directly by holders of Class I Mutual Fund Units, not by the Evolve Fund. Class I Mutual Fund Units may not be purchased by individuals. Class I Mutual Fund Units are offered under the Prospectus. Investors in Class I Mutual Fund Units should consult their own tax advisors regarding the tax treatment of management and advisory fees paid directly by the investor.

Minimum Balance

An investment in Mutual Fund Units requires Unitholders to invest and maintain a minimum balance. The table below outlines the minimums along with the minimum requirements for additional investments of Class A Mutual Fund Units, Class F Mutual Fund Units and Class I Mutual Fund Units.

Class	Minimum Balance	Minimum Additional Investments⁽¹⁾⁽²⁾
Class A Mutual Fund Units	\$500	N/A
Class F Mutual Fund Units	\$500	N/A
Class I Mutual Fund Units	The minimum balance and additional investments amounts will be agreed upon by you and the Manager.	

Notes:

⁽¹⁾Investors purchasing through dealers may be subject to higher minimum initial or additional investment amounts.

⁽²⁾ Minimums are per transaction in Canadian dollars.

If a Unitholder's balance falls below the minimum required balance for a particular class or series of Mutual Fund Units, as the case may be, or the Unitholder otherwise becomes ineligible to hold a particular class or series of Mutual Fund Units, the Manager may redeem or switch the Unitholder's Mutual Fund Units. Units may also be redeemed by the Manager in circumstances described under "Plan of Distribution – Non-Resident Unitholders". The Manager may redeem a Unitholder's Mutual Fund Units if permitted or required to do so, including in connection with the termination of the Evolve Fund, in accordance with applicable law. If the Manager redeems or switches a Unitholder's Mutual Fund Units, the result will be the same as if the Unitholder initiated the transaction. For redemptions in non-registered accounts, the Manager may transfer the proceeds to the Unitholder, and for redemptions in Plans, the Manager may transfer the proceeds to a registered savings deposit within the Plan. The Manager will not give Unitholders or their dealer notice prior to taking any action.

For the Manager to act on an order to buy, redeem or switch Mutual Fund Units, as the case may be, the branch, telephone salesperson or dealer must send the order to the Manager on the same day it is received before 4:00 p.m. (Toronto time) or such other time as indicated on the website for the Evolve Fund (the "**order cut-off time**") and assume all associated costs.

When an order is placed through a financial advisor on behalf of a Unitholder, the financial advisor sends it to the Manager. If the Manager receives an order before the order cut-off time, the order will be processed using that day's NAV. A separate NAV is calculated for each class or series of Mutual Fund Units. If the Manager receives an order after the order cut-off time, the order will be processed using the next business day's NAV. If the Manager determines that the NAV will be calculated at a time other than after the usual closing time of the

designated exchange, the NAV paid or received will be determined relative to that time. All orders are processed within two business days (or such longer time as may be permitted). A dealer may establish earlier order cut-off times. Unitholders are encouraged to contact their dealer for details.

All Unitholders must pay for Mutual Fund Units at the time of purchase. If the Manager does not receive payment in full, the Manager will cancel the order and redeem the Mutual Fund Units including any Mutual Fund Units bought through a switch. If the Manager redeems the Mutual Fund Units for more than the value for which they were issued, the difference will go to the Evolve Fund. If the Manager redeems the Mutual Fund Units for less than the value for which they were issued, the Manager will pay the difference to the Evolve Fund and collect this amount, plus the cost of doing so, from the applicable dealer. Accordingly, dealers may require Unitholders to reimburse them for the amount paid if they suffer a loss as a result.

The Manager has the right to refuse any order to buy or switch Mutual Fund Units within one business day from the time of receiving the order. If the Manager refuses an order to buy or switch, the Manager will immediately return any monies received with the order.

The Manager may limit or “cap” the size of the Evolve Fund by restricting new purchases of Mutual Fund Units. The Manager will continue redemptions and the calculation of the Evolve Fund’s NAV for each class of Mutual Fund Units. The Manager may subsequently decide to start accepting new purchases of Units of or switches within the Evolve Fund at any time.

Switches and Redemptions of Mutual Fund Units

Switches

Holders of Mutual Fund Units may switch Mutual Fund Units of any class into Mutual Fund Units of any other class of the Evolve Fund. However, Unitholders cannot transfer or switch Mutual Fund Units for ETF Units or ETF Units for a class of Mutual Fund Units. In addition, Unitholders cannot switch Units of the Evolve Fund for units of any other funds.

Based in part on the current administrative policies and assessing practices of the CRA, a switch of one class of Mutual Fund Units to another class of Mutual Fund Units of the Evolve Fund will not constitute a disposition of the Mutual Fund Units so switched for purposes of the Tax Act.

Redemptions

Unitholders can sell some or all of their Mutual Fund Units at any time. This is called a redemption. A Unitholder’s dealer must send the redemption request on the same day it is received. The dealer must assume all associated costs. Redemption requests for the Evolve Fund are processed in the order in which they are received. The Manager will not process redemption requests specifying a forward date or specific price.

Redemption orders which are received by the Manager before 4:00 p.m. (Toronto time) or such other order cut-off time as specified by the Manager on any Valuation Date will be priced using that day’s NAV. Redemption orders which are received by the Manager after 4:00 p.m. (Toronto time) or such other order cut-off time as specified by the Manager on a Valuation Date will be priced on the next Valuation Date. If the Manager decides to calculate NAV at a time other than after the usual closing time of the NEO, the NAV received will be determined relative to that time. Note that a Unitholder’s dealer may establish an earlier order cut-off time.

If a Unitholder’s balance falls below the minimum required balance for a particular class or series of Mutual Fund Units, or the Unitholder otherwise becomes ineligible to hold a particular class or series of the Evolve Fund, the Manager may redeem or switch the Unitholder’s Mutual Fund Units.

Within two business days following each Valuation Date (or such later time as may be permitted), the Manager will pay to each Unitholder who has requested a redemption the value of the Mutual Fund Units determined on the Valuation Date. Payments will be considered made upon deposit of the redemption proceeds in the Unitholder’s bank account or the mailing of a cheque in a postage prepaid envelope addressed to the Unitholder unless the cheque is not honoured for payment.

A Unitholder’s redemption (or switch) transaction will not be processed until his or her dealer has received all documentation. The dealer will inform the Unitholder of the documentation it requires. The dealer must

provide all required documents within 10 business days of the date the redemption order is processed. If not, the Manager will repurchase the Mutual Fund Units. If the cost of repurchasing the Mutual Fund Units is less than the redemption proceeds, the Evolve Fund will keep the difference. If the cost of repurchasing the Mutual Fund Units is more than the redemption proceeds, the applicable dealer must pay the difference and any related costs. Accordingly, the dealer may require the Unitholder to reimburse the amount paid if the dealer has suffered a loss as a result.

If a Unitholder redeems Mutual Fund Units, the Unitholder can tell the Manager to mail him or her a cheque or transfer the proceeds to a particular bank account with any financial institution. **For non-registered accounts, the Unitholder is responsible for tracking the adjusted cost base to them of each class of Units and reporting to the CRA any capital gains or losses that the Unitholder realizes from redeeming or switching Units.** If a Unitholder holds their Units in a Plan, tax may apply upon the withdrawal of money from the Plan.

Suspension of Redemptions

The Manager may suspend the redemption of Mutual Fund Units or payment of redemption proceeds of the Evolve Fund: (i) during any period when or on any day on which normal trading is suspended on a stock exchange or other market on which securities owned by the Evolve Fund are listed and traded, if these securities represent more than 50% by value or underlying market exposure of the total assets of the Evolve Fund, without allowance for liabilities, and if these securities are not traded on any other exchange that represents a reasonably practical alternative for the Evolve Fund; or (ii) with the prior permission of the Securities Regulatory Authorities where required, for any period not exceeding 30 days during which the Manager determines that conditions exist which render impractical the sale of assets of the Evolve Fund or which impair the ability of the Custodian to determine the value of the assets of the Evolve Fund. The suspension may apply to all requests for redemption received prior to the suspension but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Unitholders making such requests shall be advised by the Manager of the suspension and that the redemption will be effected at a price determined on the first Valuation Date following the termination of the suspension. All such Unitholders shall have and shall be advised that they have the right to withdraw their requests for redemption. The suspension shall terminate in any event on the first day on which the condition giving rise to the suspension has ceased to exist, provided that no other condition under which a suspension is authorized then exists. To the extent not inconsistent with official rules and regulations promulgated by any government body having jurisdiction over the Evolve Fund, any declaration of suspension made by the Manager shall be conclusive.

Allocations of Capital Gains to Redeeming Unitholders

Pursuant to the Declaration of Trust, the Evolve Fund may allocate and designate as payable any capital gains realized by the Evolve Fund as a result of any disposition of property of the Evolve Fund undertaken to permit or facilitate the redemption of Mutual Fund Units to a Unitholder whose Mutual Fund Units are being redeemed. In addition, the Evolve Fund has the authority to distribute, allocate and designate any capital gains of the Evolve Fund to a Unitholder who has redeemed Mutual Fund Units during a year in an amount equal to the Unitholder's share, at the time of redemption, of the Evolve Fund's capital gains for the year. Any such allocations and designations will reduce the redemption price otherwise payable to the redeeming Unitholder. Provided that certain Tax Amendments are enacted as proposed, commencing in the Evolve Fund's first taxation year beginning after March 20, 2020, an amount so allocated and designated to a redeeming Unitholder will only be deductible to the Evolve Fund to the extent of the gain that would otherwise be realized by the Unitholder on the redemption of Units.

Short-term Trading

Most mutual funds are considered long-term investments, so the Manager discourages investors from buying, redeeming or switching units frequently.

Some investors may seek to trade fund Mutual Fund Units frequently in an effort to benefit from differences between the value of the Mutual Fund Units and the value of the underlying securities ("**market timing**"). Frequent trading or switching in order to time the market or otherwise can negatively impact the value of the Evolve Fund to the detriment of other Unitholders. Excessive short-term trading can also reduce the Evolve Fund's return because the Evolve Fund may be forced to hold additional cash to pay redemption proceeds or, alternatively, to sell portfolio holdings, thereby incurring additional trading costs.

Depending on the particular circumstances, the Manager will employ a combination of preventative and detective measures to discourage and identify excessive short-term trading, including:

- (a) imposition of short-term trading fees; and
- (b) monitoring of trading activity and refusal of trades.

The Manager regularly monitor transactions in all of the Evolve funds. The Manager has established criteria for each Evolve fund that is applied fairly and consistently in an effort to eliminate trading activity that the Manager deems potentially detrimental to long-term Unitholders. The Manager reserves the right to restrict or reject any purchase or switch order without any prior notice, including transactions accepted by a Unitholder's dealer. Generally speaking, trading may be considered excessive if a Unitholder sells or switches their Mutual Fund Units within 30 days of buying them on more than one occasion.

The Manager retains the right to consider trading activity in multiple accounts under common ownership, control or influence as trading in a single account when exercising its right to reject a purchase or switch. **Whether trading is considered excessive will be determined by the Manager in its sole discretion.**

Income Tax Considerations and Eligibility for Investment

The paragraph under the heading "Eligibility for Investment" on the cover page and in the "Prospectus Summary" section of the Prospectus, and the same paragraph appearing on page 12 of the Prospectus under "Income Tax Considerations – Status of the Evolve ETF", is deleted and replaced with the following:

"Provided that the Evolve Fund qualifies as a "mutual fund trust" within the meaning of the Tax Act, the Units, if issued on the date hereof, would be on such date qualified investments under the Tax Act for a trust governed by a registered retirement savings plan, a registered retirement income fund, a registered disability savings plan, a deferred profit sharing plan, a registered education savings plan or a tax-free savings account ("**Plans**"). In addition, the ETF Units will be qualified investments for a trust governed by a Plan provided such ETF Units are listed on a "designated stock exchange" (which includes the NEO) within the meaning of the Tax Act."

The first paragraph under the sub-heading "Risk Factors – Taxation of the Evolve ETF" on page 4 of the Prospectus is deleted and replaced with the following:

"It is anticipated that the Evolve Fund will qualify, or will be deemed to qualify, at all times as a "mutual fund trust" within the meaning of the Tax Act. For the Evolve Fund to qualify as a "mutual fund trust", it must comply on a continuous basis with certain requirements relating to the qualification of its Units for distribution to the public, the number of Unitholders and the dispersal of ownership of a particular class of its Units."

The second paragraph under the sub-heading "Income Tax Considerations – Status of the Evolve ETF" on page 11 of the Prospectus is deleted and replaced with the following:

"To qualify as a mutual fund trust (i) the Evolve Fund must be a Canadian resident "unit trust" for purposes of the Tax Act, (ii) the only undertaking of the Evolve Fund must be (a) the investing of its funds in property (other than real property or interests in real property or an immovable or a real right in an immovable), (b) the acquiring, holding, maintaining, improving, leasing or managing of any real property (or interest in real property) or of any immovable (or real right in immovables) that is capital property of the Evolve Fund, or (c) any combination of the activities described in (a) and (b), and (iii) the Evolve Fund must comply with certain minimum requirements respecting the ownership and dispersal of Units of a particular class (the "**Minimum Distribution Requirements**"). In addition, in order to qualify as a mutual fund trust, the Evolve Fund cannot at any time reasonably be considered to have been established and/or maintained primarily for the benefit of non-residents unless, at that time, substantially all of its property consists of property other than property that would be "taxable Canadian property" within the meaning of the Tax Act (if the definition of such term were read without reference to paragraph (b) of that definition)."

The first paragraph under the sub-heading "Income Tax Considerations – Taxation of Holders" on page 13 of the Prospectus is deleted and replaced with the following:

“A Holder will generally be required to include in computing income for a particular taxation year of the Holder such portion of the net income of the Evolve Fund, including the taxable portion of any net realized capital gains, as is paid or becomes payable to the Holder by the Evolve Fund in that particular taxation year (whether in cash, in Units of the applicable class or reinvested in additional Units or whether as a Management Fee Distribution).”

The fifth paragraph under the sub-heading “Income Tax Considerations – Taxation of Holders” on page 13 of the Prospectus is deleted and replaced with the following:

“On the disposition or deemed disposition of a Unit, including on a redemption, a Holder will realize a capital gain (or capital loss) to the extent that the Holder’s proceeds of disposition (other than any amount payable by the Evolve Fund which represents capital gains allocated and designated to the redeeming Holder), net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of the Unit. For the purpose of determining the adjusted cost base of a Holder’s Units of a particular class, when additional Units of that class are acquired by the Holder (as a result of a distribution by the Evolve Fund in the form of Units, a reinvestment in Units pursuant to the distribution reinvestment plan or otherwise), the cost of the newly acquired Units of that class will be averaged with the adjusted cost base of all Units of the same class owned by the Holder as capital property immediately before that time. For this purpose, the cost of Units that have been issued on a distribution will generally be equal to the amount of the distribution. A consolidation of Units following a distribution paid in the form of additional Units as described under “Distribution Policy” will not be regarded as a disposition of Units and will not affect the aggregate adjusted cost base to a Holder. Any additional Units acquired by a Holder on the reinvestment of distributions will generally have a cost equal to the amount reinvested.”

The following paragraph is added as the second full paragraph under the sub-heading “Income Tax Considerations – Taxation of Holders” on page 13 of the Prospectus:

“Based in part on the current administrative policies and assessing practices of the CRA, a switch of one class of Mutual Fund Units to another class of Mutual Fund Units of the Evolve Fund will not constitute a disposition of the Mutual Fund Units so switched for purposes of the Tax Act.”

Calculation of NAV

The first paragraph under the heading “Calculation of NAV” on page 20 of the Prospectus is deleted and replaced with the following:

“The NAV and NAV per Unit of a class of the Evolve Fund are calculated by the Fund Administrator as of the Valuation Time on each Valuation Date. The NAV of the Evolve Fund on a particular date is equal to the aggregate value of the assets of the Evolve Fund less the aggregate value of the liabilities of the Evolve Fund, including any accrued management fees and any income, net realized capital gains or other amounts payable to Unitholders on or before such date, expressed in Canadian dollars. The NAV per Unit of a class on any day is obtained by dividing the NAV of the Evolve Fund on such day by the applicable number of Units of such class then outstanding.”

Dealer Compensation

How an investment professional and dealer are paid

An investment professional is usually the person through whom an investor purchases Units. An investment professional could be a broker, financial planner or advisor who is registered to sell mutual funds. A dealer is the firm for which the investment professional works.

Class A Mutual Fund Units

If an investor buys Class A Mutual Fund Units, the negotiated commission (up to 5% of the purchase amount) is deducted from the purchase amount and paid by the Unitholder, through the Manager, to the dealer. In addition, the Manager pays the dealer a service fee when holding Class A Mutual Fund Units. The Evolve

Fund may also charge a short-term trading fee if the Manager redeems a Unitholder's Class A Mutual Fund Units within 30 days of purchase.

Trailing Commission

The Manager pays a service fee known as a "trailing commission" to a Unitholder's dealer, either monthly or quarterly for ongoing services that the dealer provides to purchasers on the Class A Mutual Fund Units. The service fee is a percentage of the value of the Class A Mutual Fund Units held. The Manager pays the dealer the service fee out of the Management Fee payable to the Manager for as long as the Class A Mutual Fund Units are held. The Manager may change the terms of the service fee, including the manner and frequency with which it is paid at any time. The Manager may do this without informing Unitholders. Dealers typically pay a portion of the service fee they receive to their investment professionals for the services they provide to their clients.

Trailing commissions are not paid on ETF Units, Class F Mutual Fund Units or Class I Mutual Fund Units.

Class F Mutual Fund Units

The Manager does not pay dealers a commission if an investor buys Class F Mutual Fund Units. Investors who buy Class F Mutual Fund Units pay a negotiated fee to their dealer for investment advice and other services. The Evolve Fund may also charge a short-term trading fee if a Unitholder redeems their units within 30 days of buying them.

Other forms of dealer support

The Manager may participate in co-operative advertising programs with dealers to help them market the Evolve Fund. The Manager may use part of the Management Fee to pay up to 50% of the cost of these advertising programs in accordance with rules set out in National Instrument 81-105 – *Mutual Fund Sales Practices*.

Principal Holders of Units

As of the date hereof, no person or company owns of record or, to the knowledge of the Evolve Fund or the Manager, beneficially, directly or indirectly, more than 10% of the outstanding Class A Mutual Fund Units, Class F Mutual Fund Units or Class I Mutual Fund Units of the Evolve Fund.

Exemptions and Approvals

The Manager, on behalf of the Evolve Fund, has obtained exemptive relief from the Securities Regulatory Authorities:

(a) to relieve the Evolve Fund from the requirement to prepare and file a simplified prospectus and annual information form in accordance with National Instrument 81-101 – *Mutual Fund Prospectus Disclosure* for the Mutual Fund Units in the form prescribed by Form 81-101F1 – *Contents of Simplified Prospectus* and Form 81-101F2 – *Contents of Annual Information Form*, provided that the Evolve Fund files a long form prospectus for the Mutual Fund Units in accordance with the provisions of National Instrument 41-101 – *Distribution Requirements*; and

(b) to treat the ETF Units and Mutual Fund Units of the Evolve Fund as if such securities were separate funds in connection with their compliance with the provisions of Parts 9, 10 and 14 of NI 81-102.

Documents Incorporated by Reference

The sections "Documents Incorporated by Reference" on the cover page, in the section "Prospectus Summary" and on pages 75-76 of the Prospectus are amended to add the most recently filed fund facts document in respect of the Mutual Fund Units, which summarizes certain features of the applicable class of Mutual Fund

Units and which is publicly available at www.sedar.com (“Fund Facts”) to the Evolve Fund’s documents incorporated by reference.

PURCHASERS’ STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Mutual Fund Units

Securities legislation in some provinces gives Unitholders the right to withdraw from an agreement to buy mutual funds within two business days of receiving the prospectus or fund facts, or to cancel their purchase within 48 hours of receiving confirmation of the order.

Securities legislation in some provinces and territories also allows Unitholders to cancel an agreement to buy units and get their money back or to make a claim for damages, if the prospectus, fund facts or financial statements misrepresent any facts about the fund. These rights must usually be exercised within certain time limits.

The purchaser should refer to the applicable provisions of the securities legislation of the province or territory for the particulars of these rights or should consult with a legal adviser.

ETF Units

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase exchange traded mutual fund securities within 48 hours after the receipt of a confirmation of a purchase of such securities. In several of the provinces and territories of Canada, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation, or for non-delivery of the ETF Facts, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province or territory.

The purchaser should refer to the applicable provisions of the securities legislation of the province or territory for the particulars of these rights or should consult with a legal adviser.

PROSPECTUS

Evolve Funds

Initial Public Offering and Continuous Offering

November 15, 2019

This prospectus qualifies the distribution of units (“Units”) of the following exchange traded mutual fund (the “**Evolve ETF**”), which is established under the laws of the province of Ontario. Units of the Evolve ETF are denominated in Canadian dollars.

High Interest Savings Account ETF (“HISA”)

HISA seeks to maximize monthly income while preserving capital and liquidity by investing primarily in high interest deposit accounts. See “Investment Objectives”.

Evolve Funds Group Inc. (the “**Manager**”), a registered investment fund manager and portfolio manager, is the promoter, manager, trustee and portfolio manager of the Evolve ETF and is responsible for the administration of the Evolve ETF. See “Organization and Management Details of the Evolve ETF – Manager”.

Listing of Units

The Evolve ETF issues Units on a continuous basis and there is no maximum number of Units that may be issued. Units of HISA have been conditionally approved for listing on Neo Exchange Inc. (“NEO”). Subject to satisfying the NEO’s original listing requirements, the Units will be listed on the NEO and investors will be able to buy or sell such Units on the NEO through registered brokers and dealers in the province or territory where the investor resides.

Investors may incur customary brokerage commissions in buying or selling Units. No fees are paid by investors to the Manager or the Evolve ETF in connection with buying or selling Units on the NEO. Unitholders may also redeem Units for cash at a redemption price per Unit equal to 95% of the closing price for the Units on the NEO on the effective day of redemption, subject to a maximum redemption price per Unit equal to the NAV per Unit (as defined herein) on the effective day of redemption, or exchange a Prescribed Number of Units (as defined herein) (or an integral multiple thereof) for Baskets of Securities (as defined herein) and cash or, in certain circumstances, for cash. See “Exchange and Redemption of Units – Redemption of Units for Cash” and “Exchange and Redemption of Units – Exchange of Units at NAV per Unit for Baskets of Securities and/or Cash” for further information.

The Evolve ETF issues Units directly to the Designated Broker (as defined herein) and Dealers (as defined herein).

Eligibility for Investment

Provided that the Evolve ETF qualifies as a “mutual fund trust” within the meaning of the Tax Act (as defined herein), or that the Units are listed on a “designated stock exchange” within the meaning of the Tax Act (which includes the NEO), the Units, if issued on the date hereof, would be on such date qualified investments under the Tax Act for a trust governed by a registered retirement savings plan, a registered retirement income fund, a registered disability savings plan, a deferred profit sharing plan, a registered education savings plan or a tax-free savings account.

Additional Considerations

No designated broker or dealer has been involved in the preparation of this prospectus or has performed any review of the contents of this prospectus and as such, the Designated Broker and Dealers do not perform many of the usual underwriting activities in connection with the distribution by the Evolve ETF of its Units under this prospectus.

For a discussion of the risks associated with an investment in Units, see “Risk Factors”.

Although the Evolve ETF primarily invests in bank deposit accounts, the Evolve ETF is not covered by the Canada Deposit Insurance Corporation or any other government deposit insurer.

Registration of interests in, and transfer of, the Units are made only through CDS Clearing and Depository Services Inc. Beneficial owners do not have the right to receive physical certificates evidencing their ownership.

Documents Incorporated by Reference

Additional information about the Evolve ETF is or will be available in the most recently filed annual financial statement, any interim financial statement filed after the annual financial statement, the most recently filed annual management report of fund performance (“**MRFP**”), any interim MRFP filed after the annual MRFP for the Evolve ETF, and the most recently filed ETF Facts (as defined herein) for the Evolve ETF. These documents are incorporated by reference into, and legally form an integral part of, this prospectus. See “Documents Incorporated by Reference” for further details.

PROSPECTUS SUMMARY

The following is a summary of the principal features of this distribution and should be read together with the more detailed information, financial data and financial statements contained elsewhere in this prospectus or incorporated by reference in this prospectus.

Issuer: **High Interest Savings Account ETF (“HISA”)**

The Evolve ETF is an exchange traded mutual fund established under the laws of the province of Ontario. Evolve Funds Group Inc. (“EFG”) is the promoter, manager, trustee and portfolio manager of the Evolve ETF and is responsible for the administration of the Evolve ETF.

Continuous Distribution:

The Units are offered on a continuous basis and there is no maximum number of Units that may be issued.

Units of HISA have been conditionally approved for listing on Neo Exchange Inc. (“NEO”). Subject to satisfying the NEO’s original listing requirements, the Units will be listed on the NEO and investors will be able to buy or sell such Units on the NEO through registered brokers and dealers in the province or territory where the investor resides.

Investors may incur customary brokerage commissions in buying or selling Units. No fees are paid by investors to the Manager or the Evolve ETF in connection with buying or selling Units on the NEO. Investors may trade Units in the same way as other securities listed on the NEO, including by using market orders and limit orders.

See “Purchases of Units – Continuous Distribution” and “Purchases of Units – Buying and Selling Units”.

Investment Objectives:

Evolve ETF

Investment Objectives

HISA

HISA seeks to maximize monthly income while preserving capital and liquidity by investing primarily in high interest deposit accounts.

See “Investment Objectives”.

Investment Strategies:

HISA primarily invests in high interest deposit accounts with one or more Canadian chartered banks, credit unions or trust companies, and may also invest in high-quality, short-term debt securities (with a term to maturity of 365 days or less) with a designated rating, including treasury bills and promissory notes issued or guaranteed by Canadian governments or their agencies, and bankers acceptances.

See “Investment Strategies”.

Special Considerations for Purchasers:

The provisions of the so-called “early warning” requirements set out in Canadian Securities Legislation do not apply in connection with the acquisition of Units. In addition, the Evolve ETF has obtained exemptive relief from the Securities Regulatory Authorities to permit Unitholders to acquire more than 20% of the Units through purchases on the NEO without regard to the takeover bid requirements of applicable Canadian Securities Legislation.

See “Attributes of the Securities – Description of the Securities Distributed”.

Risk Factors: An investment in Units is subject to certain risks, which are described under “Risk Factors – General Risks Relating to an Investment in the Evolve ETF”.

Income Tax Considerations: A Unitholder who is resident in Canada will generally be required to include, in computing income for a taxation year, the amount of income (including any net realized taxable capital gains) that is paid or becomes payable to the Unitholder by the Evolve ETF in that year (including such income that is paid in Units or reinvested in additional Units).

A Unitholder who disposes of a Unit that is held as capital property, including on a redemption or otherwise, will generally realize a capital gain (or capital loss) to the extent that the proceeds of disposition (other than any amount payable by the Evolve ETF to the Unitholder which represents capital gains allocated and designated to the redeeming Unitholder), net of costs of disposition, exceed (or are less than) the adjusted cost base of that Unit.

Each investor should satisfy himself or herself as to the federal and provincial tax consequences of an investment in Units by obtaining advice from his or her tax advisor.

See “Income Tax Considerations”.

Exchanges and Redemptions: In addition to the ability to sell Units on the NEO, Unitholders may also (i) redeem Units for cash at a redemption price per Unit equal to 95% of the closing price for the Units on the NEO on the effective day of redemption, subject to a maximum redemption price per Unit equal to the NAV per Unit on the effective day of redemption, less any applicable administrative fee determined by the Manager, in its sole discretion, from time to time, or (ii) exchange a PNU (or an integral multiple thereof) for Baskets of Securities and cash or, in certain circumstances, for cash.

See “Exchange and Redemption of Units – Redemption of Units for Cash” and “Exchange and Redemption of Units – Exchange of Units at NAV per Unit for Baskets of Securities and/or Cash” for further information.

Distributions: Cash distributions of income, if any, on Units will be payable periodically as set out in the table below, by the Evolve ETF:

Evolve ETF	Frequency of Distributions
HISA	Monthly

The Evolve ETF will not have a fixed distribution amount. The amount and frequency of distributions, if any, will be based on the Manager’s assessment of anticipated cash flow and anticipated expenses of the Evolve ETF from time to time. The date of any cash distribution of the Evolve ETF will be announced in advance by issuance of a press release. The Manager may, in its complete discretion, change the frequency of the distributions and any such change will be announced by issuance of a press release.

Depending on the underlying investments of the Evolve ETF, distributions on Units may consist of ordinary income, including interest received by the Evolve ETF, less the expenses of the Evolve ETF and may include returns of capital. To the extent that the expenses of the Evolve ETF exceed the income generated by the Evolve ETF in any applicable distribution period, it is not expected that a distribution for that period will be paid.

In addition, the Evolve ETF may from time to time pay additional distributions on its Units, including without restriction in connection with returns of capital.

The tax treatment to Unitholders of distributions is discussed under the heading “Income Tax Considerations”. See “Distribution Policy”.

Distribution Reinvestment Plan: The Evolve ETF may provide Unitholders with the opportunity to reinvest cash distributions in additional Units through participation in a distribution reinvestment plan.

See “Distribution Policy – Distribution Reinvestment Plan”.

Termination: The Evolve ETF does not have a fixed termination date but may be terminated at the discretion of the Manager in accordance with the terms of the Declaration of Trust. See “Termination of the Evolve ETF”.

Eligibility for Investment: Provided that the Evolve ETF qualifies as a “mutual fund trust” within the meaning of the Tax Act, or the Units are listed on a “designated stock exchange” within the meaning of the Tax Act (which includes the NEO), Units, if issued on the date hereof, would be on such date qualified investments under the Tax Act for a trust governed by an RRSP, a RRIF, an RDSP, a DPSP, an RESP or a TFSA.

See “Income Tax Considerations – Taxation of Registered Plans”.

Documents Incorporated by Reference: Additional information about the Evolve ETF is or will be available in the most recently filed annual financial statement, any interim financial statement filed after the annual financial statement, the most recently filed annual management report of fund performance (“MRFP”), any interim MRFP filed after the annual MRFP for the Evolve ETF, and the most recently filed ETF Facts for the Evolve ETF. These documents are incorporated by reference into, and legally form an integral part of, this prospectus. These documents are publicly available on the Manager’s website at www.evolvefunds.com and may be obtained upon request, at no cost, by calling (416)-214-4884 or toll-free at 1-844-370-4884, by sending an email request to info@evolvefunds.com or by contacting a registered dealer. These documents and other information about the Evolve ETF are also publicly available at www.sedar.com.

See “Documents Incorporated by Reference”.

Organization and Management of the Evolve ETF

Manager, Trustee and Portfolio Manager: In its capacity as manager, EFG is responsible for the administration and operations of the Evolve ETF. In its capacity as trustee, EFG holds title to the assets of the Evolve ETF in trust for the Unitholders. In its capacity as portfolio manager, EFG is responsible for the oversight and provision of investment advisory services to the Evolve ETF.

The principal office of the Evolve ETF and EFG is located at 161 Bay Street, Suite 2700, Toronto, ON M5J 2S1.

See “Organization and Management Details of the Evolve ETF – Manager” and “Organization and Management Details of the Evolve ETF – Trustee”.

Promoter: EFG has taken the initiative of founding and organizing the Evolve ETF and is, accordingly, the promoter of the Evolve ETF within the meaning of securities legislation of certain provinces and territories of Canada.

See “Organization and Management Details of the Evolve ETF – Promoter”.

Custodian: CIBC Mellon Trust Company, at its principal office in Toronto, Ontario, is the Custodian of the assets of the Evolve ETF and holds those assets in safekeeping. The Custodian is entitled to receive fees from the Manager as described under “Fees and Expenses” and to be reimbursed for all expenses and liabilities that are properly incurred by the Custodian in connection with the activities of the Evolve ETF.

See “Organization and Management Details of the Evolve ETF – Custodian”.

Fund Administrator: CIBC Mellon Global Securities Services Company, at its principal office in Toronto, Ontario, is the Fund Administrator. The Fund Administrator is responsible for certain aspects of the day-to-day administration of the Evolve ETF, including NAV calculations, calculating net income and net realized capital gains of the Evolve ETF and maintaining books and records with respect to the Evolve ETF.

See “Organization and Management Details of the Evolve ETF – Fund Administrator”.

Registrar and Transfer Agent:

TSX Trust Company, at its principal office in Toronto, Ontario, is the registrar and transfer agent for the Units and maintains the register of registered Unitholders. The register of the Evolve ETF is kept in Toronto, Ontario.

See “Organization and Management Details of the Evolve ETF – Registrar and Transfer Agent”.

Auditors:

Ernst & Young LLP, at its principal offices in Toronto, Ontario, are the auditors of the Evolve ETF. The auditors will audit the Evolve ETF’s annual financial statement and provide an opinion as to whether they present fairly the Evolve ETF’s financial position, financial performance and cash flows in accordance with International Financial Reporting Standards. The auditors are independent with respect to the Evolve ETF within the meaning of the Rules of the Professional Conduct of the Chartered Professional Accountants of Ontario.

See “Organization and Management Details of the Evolve ETF – Auditors”.

Summary of Fees and Expenses

The following table lists the fees and expenses that an investor may have to pay if the investor invests in the Evolve ETF. An investor may have to pay some of these fees and expenses directly. The Evolve ETF may have to pay some of these fees and expenses, which will therefore reduce the value of an investment in the Evolve ETF. See “Fees and Expenses”.

*Fees and Expenses Payable by the Evolve ETF***Type of Fee****Amount and Description****Management Fee:**

Unless otherwise waived or reimbursed by the Manager, the Evolve ETF pays an annual management fee (the “**Management Fee**”) to the Manager for acting as trustee, manager and portfolio manager of the Evolve ETF equal to an annual percentage of the NAV of the Evolve ETF, calculated daily and payable monthly in arrears, plus applicable taxes. The Management Fee is based on a percentage of the NAV the Evolve ETF and is listed below:

Evolve ETF	Management Fee
HISA	0.15% of NAV

The Manager may, at its discretion, agree to waive or reimburse a portion of the Management Fee payable by the Evolve ETF from time to time. In addition, the Manager may, at its discretion, agree to charge a reduced Management Fee for some Unitholders as compared to the Management Fee that it otherwise would be entitled to receive from the Evolve ETF, provided that the difference between the fee otherwise chargeable and the reduced fee is distributed periodically by the Evolve ETF to the applicable Unitholders as a management fee distribution (the “**Management Fee Distributions**”). Any reduction will depend on a number of factors, including the amount invested, the NAV of the Evolve ETF and the expected amount of account activity. Management Fee Distributions will be paid first out of net income of the Evolve ETF then out of capital gains of the Evolve ETF and thereafter out of capital. See “Fees and Expenses”.

Operating Expenses:

The Manager pays for the operating expenses of the Evolve ETF (“**Operating Expenses**”), including but not limited to: mailing and printing expenses for periodic reports to Unitholders; fees payable to the Registrar and Transfer Agent and Custodian; any reasonable out of pocket expenses incurred by the Manager or its agents in connection with their ongoing obligations to the Evolve ETF; IRC committee member fees and expenses in connection with the IRC; expenses related to compliance with NI 81-107; fees and expenses relating to voting of proxies by a third party; insurance coverage for the members of the IRC; fees payable to the auditors and legal advisors of the Evolve ETF; regulatory filing, stock exchange and licensing fees and CDS fees; banking and interest with respect to any borrowing (if applicable); website maintenance

costs; costs and expenses of complying with all applicable laws, regulations and policies, including expenses and costs incurred in connection with the continuous public filing requirements such as permitted prospectus preparation and filing expenses; and legal, accounting and audit fees and fees and expenses of the Trustee, Custodian and Manager which are incurred in respect of matters not in the normal course of the Evolve ETF's activities. The Manager is not obligated to pay any other expense, cost or fee, including those arising from new government or regulatory requirements relating to the foregoing expenses, costs and fees.

Subject to compliance with NI 81-102, the fund expenses which are payable by the Evolve ETF include any taxes payable by the Evolve ETF to which the Evolve ETF may be subject, including income taxes, sales taxes (including GST/HST) and/or withholding taxes; expenditures incurred upon termination of the Evolve ETF; extraordinary expenses that the Evolve ETF may incur and all amounts paid on account of any indebtedness (if applicable); any expenses of insurance and costs of all suits or legal proceedings in connection with the Evolve ETF or the assets of the Evolve ETF or to protect the Unitholders, the Trustee, the Manager, and the directors, officers, employees or agents of any of them; any expenses of indemnification of the Trustee, the Unitholders, the Manager and the directors, officers, employees or agents of any of them to the extent permitted under the Declaration of Trust; and expenses relating to the preparation, printing and mailing of information to Unitholders in connection with meetings of Unitholders. The Evolve ETF is also responsible for all commissions and other costs of portfolio transactions and any extraordinary expenses of the Evolve ETF which may be incurred from time to time.

Fees and Expenses Payable Directly by Unitholders

Type of Fee	Amount and Description
Administrative Fee:	<p>An amount as may be agreed to between the Manager and the Designated Broker or a Dealer of the Evolve ETF may be charged to offset certain transaction costs associated with an issue, exchange or redemption of Units. This charge does not apply to Unitholders who buy and sell its Units through the facilities of the NEO.</p> <p>See “Fees and Expenses – Fees and Expenses Payable Directly by the Unitholders – Administrative Fees” and “Exchange and Redemption of Units – Administrative Fee”.</p>

OVERVIEW OF THE LEGAL STRUCTURE OF THE EVOLVE ETF

The Evolve ETF is an exchange traded mutual fund established under the laws of the province of Ontario, pursuant to the terms of the Declaration of Trust. The Evolve ETF is a mutual fund under Canadian Securities Legislation.

EFG, a registered investment fund manager and portfolio manager, is the promoter, trustee, manager and portfolio manager of the Evolve ETF, and in its capacity as manager, is responsible for the administration of the Evolve ETF. The principal office of the Evolve ETF and EFG is located at 161 Bay Street, Suite 2700, Toronto, ON M5J 2S1.

Units of HISA have been conditionally approved for listing on Neo Exchange Inc. (“NEO”). Subject to satisfying the NEO’s original listing requirements, the Units will be listed on the NEO and investors will be able to buy or sell such Units on the NEO through registered brokers and dealers in the province or territory where the investor resides.

The following chart sets out the full legal name as well as the NEO ticker symbol for the Evolve ETF:

Evolve ETF	NEO Ticker Symbol
High Interest Savings Account ETF	HISA

INVESTMENT OBJECTIVES

HISA seeks to maximize monthly income while preserving capital and liquidity by investing primarily in high interest deposit accounts.

The investment objectives of the Evolve ETF may not be changed except with the approval of its Unitholders. See “Unitholder Matters”.

INVESTMENT STRATEGIES

HISA primarily invests in high interest deposit accounts with one or more Canadian chartered banks, credit unions or trust companies, and may also invest in high-quality, short-term debt securities (with a term to maturity of 365 days or less) with a designated rating, including treasury bills and promissory notes issued or guaranteed by Canadian governments or their agencies, and bankers acceptances.

OVERVIEW OF THE SECTORS THAT THE EVOLVE ETF INVESTS IN

HISA will primarily invest in high interest deposit accounts with one or more Canadian chartered banks, credit unions or trust companies. Please see “Investment Objectives” and “Investment Strategies” for additional information.

INVESTMENT RESTRICTIONS

The Evolve ETF is subject to certain investment restrictions and practices contained in securities legislation, including NI 81-102, which are designed in part to ensure that the investments of the Evolve ETF are diversified and relatively liquid and to ensure their proper administration. A change to the fundamental investment objective of the Evolve ETF would require the approval of the Unitholders of the Evolve ETF. Please see “Unitholder Matters – Matters Requiring Unitholder Approval”.

Subject to the following, and any exemptive relief that has been or will be obtained, the Evolve ETF is managed in accordance with the investment restrictions and practices set out in the applicable securities legislation, including NI 81-102. See “Exemptions and Approvals”.

Tax Related Investment Restrictions

The Evolve ETF will not make an investment or conduct any activity that would result in the Evolve ETF failing to qualify as a “unit trust” or “mutual fund trust” within the meaning of the Tax Act.

FEES AND EXPENSES

This section details the fees and expenses that an investor may have to pay if the investor invests in the Evolve ETF. An investor may have to pay some of these fees and expenses directly. The Evolve ETF may have to pay some of these fees and expenses, which will therefore reduce the value of an investment in the Evolve ETF.

Fees and Expenses Payable by the Evolve ETF

Management Fees

Unless otherwise waived or reimbursed by the Manager, the Evolve ETF pays an annual management fee (the “**Management Fee**”) to the Manager for acting as trustee, manager and portfolio manager of the Evolve ETF equal to an annual percentage of the NAV of the Evolve ETF, calculated daily and payable monthly in arrears, plus applicable taxes. See “Organization and Management Details of the Evolve ETF – Manager – Duties and Services to be Provided by the Manager” for a description of the services provided by the Manager. The Management Fee is based on a percentage of the NAV of each of the following Evolve ETF and is listed below:

Evolve ETF	Management Fee
HISA	0.15% of NAV

The Manager may, at its discretion, agree to waive or reimburse a portion of the Management Fee payable by the Evolve ETF from time to time. In addition, to encourage very large investments in the Evolve ETF by a particular Unitholder, the Manager may, at its discretion, agree to charge a reduced Management Fee for some Unitholders as compared to the Management Fee that it otherwise would be entitled to receive from the Evolve ETF, provided that the difference between the fee otherwise chargeable and the reduced fee is distributed periodically by the Evolve ETF to the applicable Unitholders as a management fee distribution (the “**Management Fee Distributions**”). Any reduction will depend on a number of factors, including the amount invested, the NAV of the Evolve ETF and the expected amount of account activity. Management Fee Distributions will be paid first out of net income of the Evolve ETF then out of capital gains of the Evolve ETF and thereafter out of capital. The tax consequences of a Management Fee Distribution will generally be borne by the Unitholder who receives the distribution. See “Income Tax Considerations – Taxation of Holders”.

Certain Operating Expenses

The Manager pays for the operating expenses of the Evolve ETF (“**Operating Expenses**”), including but not limited to: mailing and printing expenses for periodic reports to Unitholders; fees payable to the Registrar and Transfer Agent and Custodian; any reasonable out of pocket expenses incurred by the Manager or its agents in connection with their ongoing obligations to the Evolve ETF; IRC committee member fees and expenses in connection with the IRC; expenses related to compliance with NI 81-107; fees and expenses relating to voting of proxies by a third party; insurance coverage for the members of the IRC; fees payable to the auditors and legal advisors of the Evolve ETF; regulatory filing, stock exchange and licensing fees and CDS fees; banking and interest with respect to any borrowing (if applicable); website maintenance costs; costs and expenses of complying with all applicable laws, regulations and policies, including expenses and costs incurred in connection with the continuous public filing requirements such as permitted prospectus preparation and filing expenses; and legal, accounting and audit fees and fees and expenses of the Trustee, Custodian and Manager which are incurred in respect of matters not in the normal course of the Evolve ETF’s activities. The Manager is not obligated to pay any other expense, cost or fee, including those arising from new government or regulatory requirements relating to the foregoing expenses, costs and fees.

Subject to compliance with NI 81-102, the fund expenses which are payable by the Evolve ETF include any taxes payable by the Evolve ETF to which the Evolve ETF may be subject, including income taxes, sales taxes (including GST/HST) and/or withholding taxes; expenditures incurred upon termination of the Evolve ETF; extraordinary expenses that the Evolve ETF may incur and all amounts paid on account of any indebtedness (if applicable); any expenses of insurance and costs of all suits or legal proceedings in connection with the Evolve ETF or the assets of the Evolve ETF or to protect the Unitholders, the Trustee, the Manager, and the directors, officers, employees or agents of any of them; any expenses of indemnification of the Trustee, the Unitholders, the Manager and the directors, officers, employees or agents of any of them to the extent permitted under the Declaration of Trust; and expenses relating to the preparation, printing and mailing of information to Unitholders in connection with meetings of Unitholders. The Evolve ETF is also responsible for all commissions and other costs of portfolio transactions and any extraordinary expenses of the Evolve ETF which may be incurred from time to time.

Fees and Expenses Payable Directly by the Unitholders

Administrative Fees

An amount as may be agreed to between the Manager and the Designated Broker or a Dealer of the Evolve ETF may be charged to offset certain transaction costs associated with an issue, exchange or redemption of Units. This charge does not apply to Unitholders who buy and sell their Units through the facilities of the NEO. See “Exchange and Redemption of Units – Administrative Fee”.

RISK FACTORS

In addition to the considerations set out elsewhere in this prospectus, the following are certain considerations relating to an investment in Units that prospective investors should consider before purchasing such Units.

Although the Evolve ETF primarily invests in bank deposit accounts, the Evolve ETF is not covered by the Canada Deposit Insurance Corporation or any other government deposit insurer.

General Risks Relating to an Investment in the Evolve ETF

General Risks of Debt Instruments

The value of the underlying debt securities of the Evolve ETF will be affected by changes in the general level of interest rates. Generally, debt securities will decrease in value when interest rates rise and will increase in value when interest rates decline. Securities with longer durations tend to be more interest rate sensitive, which may make them more volatile than securities with shorter durations. The NAV of the Evolve ETF will fluctuate with interest rate changes and the corresponding changes in the value of the securities held by the Evolve ETF. The value of the bonds held by the Evolve Funds may be affected by price changes due to a change in general economic conditions.

Credit rating downgrades and defaults (failure to make interest or principal payment) may potentially reduce the Evolve ETF’s income and share price. An issuer of debt instruments to which the Evolve ETF may be exposed may be unable to make interest payments or repay principal. Changes in an issuer’s financial strength or in an instrument’s credit rating may affect an instrument’s value and, thus, impact the performance of the Evolve ETF.

Sensitivity to Interest Rate Fluctuations

It is anticipated that the market price for Units at any given time will be affected by the level of interest rates prevailing at such time. A rise in interest rates may have a negative effect on the market price of the Units. Unitholders who wish to redeem or sell their Units may, therefore, be exposed to the risk that the redemption price or sale price of the Units will be negatively affected by interest rate fluctuations.

Reliance on Key Personnel

Unitholders will be dependent on the abilities of the Manager to effectively manage the Evolve ETF in a manner consistent with its investment objectives, investment strategies and investment restrictions. There is no certainty that the individuals who are principally responsible for providing administration and portfolio management services to the Evolve ETF will continue to be employed by the Manager.

Trading Price of Units

Units may trade in the market at a premium or a discount to the NAV per Unit. There can be no assurance that Units will trade at prices that reflect their NAV per Unit. The trading price of the Units will fluctuate in accordance with changes in the Evolve ETF’s NAV, as well as market supply and demand on the NEO.

Fluctuations in NAV and NAV per Unit

The NAV and NAV per Unit of the Evolve ETF will vary according to, among other things, the value of the securities held by the Evolve ETF. The Manager and the Evolve ETF have no control over the factors that affect the value of the securities held by the Evolve ETF.

Changes in Legislation

There can be no assurance that income tax, securities and other laws will not be changed in a manner that adversely affects the Evolve ETF or the Unitholders. There can be no assurance that Canadian federal income tax laws and the administrative policies and assessing practices of the CRA respecting the treatment of mutual fund trusts, SIFT trusts

or an investment in a non-resident trust will not be changed in a manner that adversely affects the Evolve ETF or the Unitholders.

Taxation of the Evolve ETF

It is anticipated that the Evolve ETF will qualify, or will be deemed to qualify, at all times as a “mutual fund trust” within the meaning of the Tax Act. For the Evolve ETF to qualify as a “mutual fund trust”, it must comply on a continuous basis with certain requirements relating to the qualification of its Units for distribution to the public, the number of Unitholders and the dispersal of ownership of its Units.

A trust will be deemed not to be a mutual fund trust if it is established or maintained primarily for the benefit of non-residents of Canada unless, at that time, all or substantially all of its property is property other than property that would be “taxable Canadian property” (if the definition of such term in the Tax Act were read without reference to paragraph (b) thereof). The law does not provide any means of rectifying a loss of mutual fund trust status if this requirement is not met. The Evolve ETF contains a restriction on the number of permitted non-resident Unitholders.

The Evolve ETF is expected to meet all the requirements to qualify as a “mutual fund trust” for the purposes of the Tax Act before the 91st day after the end of its first taxation year (determined without regard to any taxation year-end that may be deemed to occur for other purposes under the rules in the Tax Act relating to “loss restriction events”). Assuming the Evolve ETF meets these requirements before such day, the Evolve ETF will file an election to qualify as a mutual fund trust from its inception in 2019.

If the Evolve ETF does not qualify as a mutual fund trust or were to cease to so qualify, the income tax considerations as described under “Income Tax Considerations” would in some respects be materially and adversely different. For example, if the Evolve ETF does not qualify as a “mutual fund trust” within the meaning of the Tax Act throughout a taxation year, the Evolve ETF may be liable to pay alternative minimum tax and/or tax under Part XII.2 of the Tax Act, and would not be entitled to the Capital Gains Refund (as defined herein). In addition, if the Evolve ETF does not qualify as a mutual fund trust, it may be subject to the “mark-to-market” rules under the Tax Act if more than 50% of the fair market value of its Units are held by “financial institutions”, within the meaning of the Tax Act.

The tax treatment of gains and losses realized by the Evolve ETF will depend on whether such gains or losses are treated as being on income or capital account, as described in this paragraph. In determining its income for tax purposes, the Evolve ETF will treat gains or losses realized on the disposition of portfolio securities held by it as capital gains and losses. Designations with respect to the Evolve ETF’s income and capital gains will be made and reported to Unitholders on the foregoing basis. The CRA’s practice is not to grant advance income tax rulings on the characterization of items as capital gains or income and no advance income tax ruling has been requested or obtained. If these foregoing dispositions or transactions of the Evolve ETF are determined not to be on capital account, the net income of the Evolve ETF for tax purposes and the taxable component of distributions to its Unitholders could increase. Any such redetermination by the CRA may result in the Evolve ETF being liable for unremitted withholding taxes on prior distributions made to its Unitholders who were not resident in Canada for purposes of the Tax Act at the time of the distribution. Such potential liability may reduce the NAV and NAV per Unit.

Pursuant to rules in the Tax Act, if the Evolve ETF experiences a “loss restriction event” (i) it will be deemed to have a year-end for tax purposes (which would result in an unscheduled distribution of the Evolve ETF’s net income and net realized capital gains, if any, at such time to Unitholders so that the Evolve ETF is not liable for income tax on such amounts under Part I of the Tax Act), and (ii) it will become subject to the loss restriction rules generally applicable to a corporation that experiences an acquisition of control, including a deemed realization of any unrealized capital losses and restrictions on its ability to carry forward losses. Generally, the Evolve ETF will be subject to a loss restriction event if a Unitholder becomes a “majority-interest beneficiary”, or a group of persons becomes a “majority-interest group of beneficiaries”, of the Evolve ETF, as those terms are defined in the affiliated persons rules contained in the Tax Act, with certain modifications. Generally, a majority-interest beneficiary of the Evolve ETF is a beneficiary in the income or capital, as the case may be, of the Evolve ETF whose beneficial interests, together with the beneficial interests of persons and partnerships with whom the beneficiary is affiliated, have a fair market value that is greater than 50% of the fair market value of all the interests in the income or capital, as the case may be, of the Evolve ETF. Please see “Income Tax Considerations – Taxation of Holders” for the tax consequences of an unscheduled or other distribution to Unitholders. Trusts that qualify as “investment funds” as defined in the rules in the Tax Act relating to loss restriction events are generally excepted from the application of such rules. An “investment fund” for this purpose includes a trust that meets certain conditions, including satisfying certain of the conditions necessary to qualify as a “mutual fund trust” for purposes of the Tax Act, not holding any property that it uses in the course of carrying on a

business and complying with certain asset diversification requirements. If the Evolve ETF were not to qualify as an “investment fund”, it could potentially have a loss restriction event and thereby become subject to the related tax consequences described above.

The Tax Act contains rules (the “**SIFT Rules**”) concerning the taxation of publicly traded Canadian trusts and partnerships that own certain types of property defined as “non-portfolio property”. A trust that is subject to these rules is subject to trust level taxation, at rates comparable to those that apply to corporations, on the trust’s income earned from “non-portfolio property” to the extent that such income is distributed to its unitholders. If the Evolve ETF is subject to tax under the SIFT Rules, the after-tax return to its Unitholders could be reduced, particularly in the case of a Unitholder who is exempt from tax under the Tax Act or is a non-resident of Canada.

Limited Operating History and Absence of an Active Market

The Evolve ETF is a newly organized investment trust with limited operating history. Although the Evolve ETF may be listed on the NEO, there is no assurance that it will do so or that an active public market for the Units will develop or be sustained.

Risk Rating of the Evolve ETF

The investment risk level of the Evolve ETF is required to be determined in accordance with a standardized risk classification methodology that is based on the historical volatility of the Evolve ETF, as measured by the 10-year standard deviation of the returns of the Evolve ETF. As the Evolve ETF does not have at least 10 years of performance history, the Manager calculates the investment risk level of the Evolve ETF using a reference index that reasonably approximates the standard deviation of the Evolve ETF for the remainder of the 10-year period. Once the Evolve ETF has 10 years of performance history, the methodology will calculate the standard deviation of the Evolve ETF using the return history of the Evolve ETF rather than that of the reference index. The Evolve ETF is assigned an investment risk rating in one of the following categories: low, low to medium, medium, medium to high or high risk. There may be times when the classification methodology produces a result that the Manager believes is inappropriate in which case the Manager may re-classify the Evolve ETF to a higher risk level, if appropriate.

The following chart sets out a description of the reference index used for the Evolve ETF:

Evolve ETF	Reference Index
HISA	Bank of Canada Treasury Bills One Month Index. The Bank of Canada Treasury Bills One Month Index measures the performance of One Month Treasuries issues by the Bank of Canada.

Unitholders should know that other types of risks, both measurable and non-measurable, exist. Also, just as historical performance may not be indicative of future returns, historical volatility may not be indicative of future volatility. The risk rating of the Evolve ETF is reviewed annually and any time it is no longer reasonable in the circumstances. A more detailed explanation of the risk classification methodology used to identify the risk rating of the Evolve ETF is available on request, at no cost, by calling toll-free 1-844-370-4884 or by writing to Evolve Funds Group Inc., 161 Bay Street, Suite 2700, Toronto, ON M5J 2S1.

DISTRIBUTION POLICY

Cash distributions of income, if any, on Units will be payable periodically as set out in the table below, by the Evolve ETF:

Evolve ETF	Frequency of Distributions
HISA	Monthly

The Evolve ETF will not have a fixed distribution amount. The amount and frequency of distributions, if any, will be based on the Manager’s assessment of anticipated cash flow and anticipated expenses of the Evolve ETF from time to time. The date of any cash distribution of the Evolve ETF will be announced in advance by issuance of a press release. The Manager may, in its complete discretion, change the frequency of the distributions and any such change will be announced by issuance of a press release.

Depending on the underlying investments of the Evolve ETF, distributions on Units may consist of ordinary income, including interest received by the Evolve ETF, less the expenses of the Evolve ETF and may include returns of capital. To the extent that the expenses of the Evolve ETF exceed the income generated by the Evolve ETF in any applicable distribution period, it is not expected that a distribution for that period will be paid. Management Fee Distributions, if any, will be paid first out of the net income, then out of capital gains of the Evolve ETF and thereafter out of capital. The tax consequences of a Management Fee Distribution will generally be borne by the Unitholder who receives the distribution.

If, for any taxation year, after the ordinary distributions, if any, there would remain in the Evolve ETF additional net income or net realized capital gains, the Evolve ETF will be required to pay or make payable such net income and net realized capital gains as one or more special year-end distributions in such year to Unitholders as is necessary to ensure that the Evolve ETF will not be liable for income tax on such amounts under Part I of the Tax Act (after taking into account all available deductions, credits and refunds). Such special distributions may be paid in the form of Units and/or cash. Any special distributions payable in Units will increase the aggregate adjusted cost base of a Unitholder's Units. Immediately following payment of such a special distribution in Units, the number of Units held by a Unitholder will be automatically consolidated such that the number of Units held by the Unitholder after such distribution will be equal to the number of Units held by such Unitholder immediately prior to such distribution, except in the case of a non-resident Unitholder to the extent tax is required to be withheld in respect of the distribution.

The tax treatment to Unitholders of distributions is discussed under the heading "Income Tax Considerations".

Distribution Reinvestment Plan

The Manager may adopt a distribution reinvestment plan in respect of the Evolve ETF under which cash distributions are used to purchase additional Units acquired in the market by the plan agent, TSX Trust Company, and are credited to the participating Unitholder in accordance with the terms of such plan (a copy of which would be available through your broker or dealer). The following are the key terms of such a distribution reinvestment plan:

- Participation in a distribution reinvestment plan will be restricted to Unitholders who are residents of Canada for the purposes of the Tax Act or "Canadian partnerships" as defined in the Tax Act. Immediately upon becoming a non-resident of Canada or ceasing to be a Canadian partnership, a participating Unitholder will be required to notify his, her or its CDS Participant and terminate participation in the distribution reinvestment plan.
- A Unitholder who wishes to enrol in the distribution reinvestment plan as of a particular Distribution Record Date should notify his, her or its CDS Participant sufficiently in advance of that Distribution Record Date to allow the CDS Participant to notify CDS by 4:00 p.m. (Toronto time) on that Distribution Record Date.
- Distributions that participating Unitholders are due to receive will be used to purchase Units on behalf of such Unitholder in the market.
- No fractional Units will be delivered under a distribution reinvestment plan. Payment in cash for any remaining uninvested funds may be made in lieu of delivering fractional Units by the plan agent to CDS or a CDS Participant, on a monthly or quarterly basis, as the case may be. Where applicable, CDS will, in turn, credit the participating Unitholder, via the applicable CDS Participant.

The automatic reinvestment of distributions under the distribution reinvestment plan does not relieve participating Unitholders of any income tax applicable to the distributions.

The tax treatment to Unitholders of reinvested distributions is discussed under the heading "Income Tax Considerations".

Participating Unitholders will be able to terminate their participation in the distribution reinvestment plan as of a particular Distribution Record Date by notifying their CDS Participant by the prescribed cut-off time prior to the applicable Distribution Record Date. Beginning on the first distribution payment date after such notice is delivered, distributions to such Unitholders will be in cash. The form of termination notice will be available from CDS Participants and any expenses associated with the preparation and delivery of such termination notice will be for the account of the participating Unitholder exercising its rights to terminate participation in the distribution reinvestment plan. The Manager will be permitted to terminate the distribution reinvestment plan, in its sole discretion, upon not less than 30 days' notice to participating Unitholders and the plan agent, subject to any required regulatory approval.

The Manager is permitted to amend, modify or suspend the distribution reinvestment plan, or add additional features including authorizing pre-authorized cash contributions or systematic withdrawals, at any time, in its sole discretion, provided that it complies with certain requirements, and gives notice of such amendment, modification or suspension to the participating Unitholders and the plan agent, subject to any required regulatory approval, which notice may be given by issuing a press release containing a summary description of the amendment or in any other manner that the Manager determines to be appropriate.

The Manager may from time to time adopt rules and regulations to facilitate the administration of the distribution reinvestment plan. The Manager reserves the right to regulate and interpret the distribution reinvestment plan as it deems necessary or desirable to ensure the efficient and equitable operation of the distribution reinvestment plan.

PURCHASES OF UNITS

Initial Investment in the Evolve ETF

The Evolve ETF will not issue Units to the public until subscriptions aggregating not less than \$500,000 have been received and accepted by the Evolve ETF from investors other than persons or companies related to the Manager or its affiliate.

Continuous Distribution

Units are being issued and sold on a continuous basis and there is no maximum number of Units that may be issued.

Designated Broker

All orders to purchase Units directly from the Evolve ETF must be placed by the Designated Broker or Dealers. The Evolve ETF reserves the absolute right to reject any subscription order placed by the Designated Broker and/or a Dealer. No fees will be payable by the Evolve ETF to the Designated Broker or a Dealer in connection with the issuance of Units. On the issuance of Units, the Manager may, at its discretion, charge an administrative fee to a Dealer or the Designated Broker to offset any expenses (including any applicable NEO additional listing fees) incurred in issuing the Units.

On any Trading Day, the Designated Broker or a Dealer may place a subscription order for the PNU or integral multiple PNU of the Evolve ETF. If a subscription order is received by the Evolve ETF at or before the applicable cut-off time, or such other time prior to the Valuation Time on such Trading Day as the Manager may permit, and is accepted by the Manager, the Evolve ETF will generally issue to the Dealer or Designated Broker the PNU (or an integral multiple thereof) within two Trading Days from the effective date of the subscription order. The Evolve ETF must receive payment for the Units subscribed for within two Trading Days from the effective date of the subscription order. The effective date of a subscription order is the Trading Day on which the Valuation Time that applies to such subscription order takes place.

Unless the Manager shall otherwise agree or the Declaration of Trust shall otherwise provide, as payment for a PNU of the Evolve ETF, a Dealer or the Designated Broker must deliver subscription proceeds consisting of a Basket of Securities and cash in an amount sufficient so that the value of the Basket of Securities and cash delivered is equal to the NAV of the PNU of the Evolve ETF determined at the Valuation Time on the effective date of the subscription order. The Manager may, in its complete discretion, instead accept subscription proceeds consisting of (i) cash only in an amount equal to the NAV of the PNU of the Evolve ETF determined at the Valuation Time on the effective date of the subscription order, plus (ii) if applicable, associated costs and expenses that the Evolve ETF incur or expect to incur in purchasing securities on the market with such cash proceeds.

The Manager may from time to time and, in any event not more than once quarterly, require the Designated Broker to subscribe for Units for cash in a dollar amount not to exceed 0.30% of the NAV of the Evolve ETF, or such other amount as may be agreed to by the Manager and the Designated Broker. The number of Units issued will be the subscription amount divided by the NAV per Unit next determined following the delivery by the Manager of a subscription notice to the Designated Broker. Payment for the Units must be made by the Designated Broker by no later than the second Trading Day after the subscription notice has been delivered.

The Manager will, except when circumstances prevent it from doing so, disclose the number of Units comprising a PNU for the Evolve ETF to applicable investors, the Designated Broker and Dealers following the close of business on each Trading Day. The Manager may, at its discretion, increase or decrease the PNU from time to time.

To Unitholders of the Evolve ETF as Distributions Paid in Units

In addition to the issuance of Units as described above, distributions may be made by way of the issuance of Units. See “Distribution Policy”.

Buying and Selling Units

Units of HISA have been conditionally approved for listing on Neo Exchange Inc. (“NEO”). Subject to satisfying the NEO’s original listing requirements, the Units will be listed on the NEO and investors will be able to buy or sell such Units on the NEO through registered brokers and dealers in the province or territory where the investor resides. Investors may incur customary brokerage commissions in buying or selling Units. No fees are paid by investors to the Manager or the Evolve ETF in connection with buying or selling Units on the NEO.

Special Considerations for Unitholders

The provisions of the so-called “early warning” requirements set out in Canadian Securities Legislation do not apply in connection with the acquisition of Units. In addition, the Evolve ETF has obtained exemptive relief from the Securities Regulatory Authorities to permit Unitholders to acquire more than 20% of the Units through purchases on the NEO without regard to the take-over bid requirements of Canadian Securities Legislation.

Special Circumstances

Units may also be issued by the Evolve ETF to the Designated Broker in a number of special circumstances, including the following: (i) when the Manager has determined that the Evolve ETF should acquire Constituent Securities or other securities in connection with a rebalancing event as described under “Investment Strategies – Rebalancing Events”; and (ii) when cash redemptions of Units occur as described below under “Redemption of Units for Cash”, or the Evolve ETF otherwise has cash that the Manager wants to invest.

EXCHANGE AND REDEMPTION OF UNITS

Exchange of Units at NAV per Unit for Baskets of Securities and/or Cash

Unitholders of the Evolve ETF may exchange the applicable PNU (or an integral multiple thereof) of the Evolve ETF on any Trading Day for Baskets of Securities and cash, subject to the requirement that a minimum PNU be exchanged. To effect an exchange of Units, a Unitholder must submit an exchange request in the form and at the location prescribed by the Evolve ETF from time to time at or before the applicable cut-off time on a Trading Day, or such other time prior to the Valuation Time on such Trading Day as the Manager may permit. The exchange price will be equal to the NAV of each PNU tendered for exchange determined at the Valuation Time on the effective date of the exchange request, payable by delivery of a Basket of Securities (constituted as most recently published prior to the effective date of the exchange request) and cash. The Units will be redeemed in the exchange. The Manager will also make available to Dealers and the Designated Broker the applicable PNU to redeem Units on each Trading Day. The effective date of an exchange request is the Trading Day on which the Valuation Time that applies to such redemption request takes place.

Upon the request of a Unitholder, the Manager may, in its complete discretion, satisfy an exchange request by delivering cash only in an amount equal to the NAV of each PNU tendered for exchange determined at the Valuation Time on the effective date of the exchange request, provided that the Unitholder agrees to pay the costs and expenses that the Evolve ETF incurs or expects to incur in selling securities on the market to obtain the necessary cash for exchange.

If an exchange request is not received by the applicable cut-off time, the exchange order will be effective only on the next Trading Day. Settlement of exchanges for Baskets of Securities and/or cash will generally be made by the second Trading Day after the effective day of the exchange request.

If Constituent Securities or other securities are cease-traded at any time by order of a Securities Regulatory Authority or other relevant regulator or stock exchange, the delivery of Baskets of Securities to a Unitholder, Dealer or the Designated Broker on an exchange in the PNU may be postponed until such time as the transfer of the Baskets of Securities is permitted by law.

As described under “Book-Entry Only System”, registration of interests in, and transfers of, Units will be made only through the book-entry only system of CDS. The redemption rights described below must be exercised through the CDS Participant through which the owner holds Units. Beneficial owners of Units should ensure that they provide

redemption instructions to the CDS Participant through which they hold such Units sufficiently in advance of the cut-off times described below to allow such CDS Participant to notify CDS and for CDS to notify the Manager prior to the relevant cut-off time.

Redemption of Units for Cash

On any Trading Day, Unitholders of the Evolve ETF may redeem (i) Units for cash at a redemption price per Unit equal to 95% of the closing price for the Units on the NEO on the effective day of the redemption, subject to a maximum redemption price per Unit equal to the NAV per Unit on the effective day of redemption, less any applicable administrative fee determined by the Manager, in its sole discretion, from time to time, or (ii) a PNU of the Evolve ETF or a multiple PNU of the Evolve ETF for cash equal to the NAV of that number of Units less any applicable administrative fee determined by the Manager, in its sole discretion from time to time. Because Unitholders will generally be able to sell Units at the market price on the NEO through a registered broker or dealer subject only to customary brokerage commissions, Unitholders of the Evolve ETF are advised to consult their brokers, dealers or investment advisors before redeeming such Units for cash. No fees or expenses are paid by Unitholders to the Manager or the Evolve ETF in connection with selling Units on the NEO.

In order for a cash redemption to be effective on a Trading Day, a cash redemption request with respect to the Evolve ETF must be delivered to the Manager in the form and at the location prescribed by the Manager from time to time at or before the applicable cut-off time on such Trading Day. Any cash redemption request received after such time will be effective only on the next Trading Day. Where possible, payment of the redemption price will be made by no later than the second Trading Day after the effective day of the redemption. The cash redemption request forms may be obtained from any registered broker or Dealer.

Unitholders that have delivered a redemption request prior to the Distribution Record Date for any distribution will not be entitled to receive that distribution.

In connection with the redemption of Units, the Evolve ETF will generally dispose of securities or other financial instruments.

Suspension of Exchanges and Redemptions

The Manager may suspend the exchange or redemption of Units or payment of redemption proceeds of the Evolve ETF: (i) during any period when normal trading is suspended on a stock exchange or other market on which securities owned by the Evolve ETF are listed and traded, if these securities represent more than 50% by value or underlying market exposure of the total assets of the Evolve ETF, without allowance for liabilities, and if these securities are not traded on any other exchange that represents a reasonably practical alternative for the Evolve ETF; or (ii) with the prior permission of the Securities Regulatory Authorities where required, for any period not exceeding 30 days during which the Manager determines that conditions exist which render impractical the sale of assets of the Evolve ETF or which impair the ability of the Custodian to determine the value of the assets of the Evolve ETF. The suspension may apply to all requests for exchange or redemption received prior to the suspension but as to which payment has not been made, as well as to all requests received while the suspension is in effect. All Unitholders making such requests shall be advised by the Manager of the suspension and that the exchange or redemption will be effected at a price determined on the first Valuation Date following the termination of the suspension. All such Unitholders shall have and shall be advised that they have the right to withdraw their requests for exchange or redemption. The suspension shall terminate in any event on the first day on which the condition giving rise to the suspension has ceased to exist, provided that no other condition under which a suspension is authorized then exists. To the extent not inconsistent with official rules and regulations promulgated by any government body having jurisdiction over the Evolve ETF, any declaration of suspension made by the Manager shall be conclusive.

Administrative Fee

An amount as may be agreed to between the Manager and the Designated Broker or a Dealer of the Evolve ETF may be charged to offset certain transaction costs associated with an issue, exchange or redemption of Units. This charge does not apply to Unitholders who buy and sell their Units through the facilities of the NEO.

Allocations of Capital Gains to Redeeming or Exchanging Unitholders

Pursuant to the Declaration of Trust, the Evolve ETF may allocate and designate as payable any capital gains realized by the Evolve ETF as a result of any disposition of property of the Evolve ETF undertaken to permit or facilitate the redemption or exchange of Units to a Unitholder whose Units are being redeemed or exchanged. In addition, the

Evolve ETF has the authority to allocate and designate any capital gains of the Evolve ETF to a Unitholder who has redeemed or exchanged Units during a year in an amount equal to the Unitholder's share, at the time of redemption or exchange, of the Evolve ETF's capital gains for the year. Any such allocations and designations will reduce the redemption price otherwise payable to the redeeming Unitholder. Provided that certain Tax Amendments are enacted as proposed, commencing in the Evolve ETF's first taxation year beginning on or after March 20, 2020, an amount so allocated and designated to a redeeming or exchanging Unitholder will only be deductible to the Evolve ETF to the extent of the gain that would otherwise be realized by the Unitholder on the redemption or exchange of Units.

Book-Entry Only System

Registration of interests in, and transfers of, Units will be made only through the book-entry only system of CDS. Units must be purchased, transferred and surrendered for redemption only through a CDS Participant. All rights of an owner of Units must be exercised through, and all payments or other property to which such owner is entitled will be made or delivered by, CDS or the CDS Participant through which the owner holds such Units. Upon buying Units, the owner will receive only the customary confirmation. References in this prospectus to a holder of Units means, unless the context otherwise requires, the owner of the beneficial interest of such Units.

Neither the Evolve ETF nor the Manager will have any liability for: (i) records maintained by CDS relating to the beneficial interests in Units or the book entry accounts maintained by CDS; (ii) maintaining, supervising or reviewing any records relating to such beneficial ownership interests; or (iii) any advice or representation made or given by CDS and made or given with respect to the rules and regulations of CDS or any action taken by CDS or at the direction of the CDS Participants.

The ability of a beneficial owner of Units to pledge such Units or otherwise take action with respect to such owner's interest in such Units (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

The Evolve ETF has the option to terminate registration of Units through the book-entry only system in which case certificates for Units in fully registered form will be issued to beneficial owners of such Units or to their nominees.

Short-Term Trading

Unlike conventional open-end mutual funds in which short-term trading by investors may cause the mutual fund to incur additional unnecessary trading costs in connection with the purchase of additional Constituent Securities and the sale of Constituent Securities to fund unitholder redemptions, the Manager does not believe that it is necessary to impose any short-term trading restrictions on the Evolve ETF at this time as: (i) the Evolve ETF is an exchange traded fund that is primarily traded in the secondary market; and (ii) the few transactions involving Units that do not occur on the secondary market involve the Designated Broker and/or Dealers, who can only purchase or redeem Units in a PNU and on whom the Manager may impose an administrative fee. The administrative fee is intended to compensate the Evolve ETF for any costs and expenses incurred by the Evolve ETF in order to fund the redemption.

PRIOR SALES

Prior sales information for the Evolve ETF are not yet available as this Evolve Fund is new.

INCOME TAX CONSIDERATIONS

The following is, as of the date hereof, a summary of the principal Canadian federal income tax considerations under the Tax Act generally applicable to the acquisition, holding and disposition of Units by a Unitholder who acquires Units pursuant to this prospectus. This summary only applies to a prospective Unitholder who is an individual (other than a trust) resident in Canada for purposes of the Tax Act who deals at arm's length with the Evolve ETF, the Designated Broker and the Dealers and is not affiliated with the Evolve ETF, the Designated Broker or any Dealer and who holds Units as capital property (a "**Holder**").

Generally, Units will be considered to be capital property to a Holder provided that the Holder does not hold such Units in the course of carrying on a business of buying and selling securities and has not acquired them in one or more transactions considered to be an adventure or concern in the nature of trade. Provided that the Evolve ETF qualifies as a "mutual fund trust" for purposes of the Tax Act, certain Holders who might not otherwise be considered to hold Units as capital property may, in certain circumstances, be entitled to have such Units and all other "Canadian securities" owned or subsequently acquired by them treated as capital property by making the irrevocable election permitted by subsection 39(4) of the Tax Act. This summary does not apply to a Holder who has entered or will enter

into a “derivative forward agreement” as that term is defined in the Tax Act with respect to the Units or any Basket of Securities disposed of in exchange for Units.

This summary is based on the assumptions that (i) the Evolve ETF will not be subject to the tax for “SIFT trusts” for purposes of the Tax Act, (ii) none of the issuers of the securities in the portfolio of the Evolve ETF will be foreign affiliates of the Evolve ETF or of any Holder, (iii) none of the securities in the portfolio of the Evolve ETF will be a “tax shelter investment” within the meaning of section 143.2 of the Tax Act, (iv) the Evolve ETF will not enter into any arrangement where the result is a dividend rental arrangement for purposes of the Tax Act, and (v) none of the securities in the portfolio of the Evolve ETF will be an offshore investment fund property (or an interest in a partnership that holds such property) that would require the Evolve ETF (or the partnership) to include significant amounts in the Evolve ETF’s (or the partnership’s) income pursuant to section 94.1 of the Tax Act, or an interest in a trust (or a partnership which holds such an interest) which would require the Evolve ETF (or the partnership) to report significant amounts of income in connection with such interest pursuant to the rules in section 94.2 of the Tax Act, or an interest in a non-resident trust other than an “exempt foreign trust” (or a partnership which holds such interest).

This summary also assumes that the Evolve ETF will comply with its investment restriction.

This summary is based on the facts described herein, the current provisions of the Tax Act, and an understanding of the current publicly available administrative policies and assessing practices of the CRA published in writing prior to the date hereof. This summary takes into account the Tax Amendments. This description is not exhaustive of all Canadian federal income tax consequences and does not take into account or anticipate changes in the law or in administrative policy or assessing practice, whether by legislative, governmental or judicial action other than the Tax Amendments in their present form, nor does it take into account provincial, territorial or foreign tax considerations which may differ significantly from those discussed herein. There can be no assurance that the Tax Amendments will be enacted in the form publicly announced, or at all.

This summary is not exhaustive of all possible Canadian federal income tax considerations applicable to an investment in Units. This summary does not address the deductibility of interest on any funds borrowed by a Holder to purchase Units. The income and other tax consequences of investing in Units will vary depending on an investor’s particular circumstances including the province or territory in which the investor resides or carries on business. Accordingly, this summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any holder of Units. Prospective investors should consult their own tax advisors with respect to the income tax consequences to them of an acquisition of Units based on their particular circumstances.

Status of the Evolve ETF

This summary assumes that the Evolve ETF will qualify or be deemed to qualify at all times as a “mutual fund trust” within the meaning of the Tax Act.

To qualify as a mutual fund trust (i) the Evolve ETF must be a Canadian resident “unit trust” for purposes of the Tax Act, (ii) the only undertaking of the Evolve ETF must be (a) the investing of its funds in property (other than real property or interests in real property or an immovable or a real right in an immovable), (b) the acquiring, holding, maintaining, improving, leasing or managing of any real property (or interest in real property) or of any immovable (or real right in immovables) that is capital property of the Evolve ETF, or (c) any combination of the activities described in (a) and (b), and (iii) the Evolve ETF must comply with certain minimum requirements respecting the ownership and dispersal of Units (the “**Minimum Distribution Requirements**”). In addition, in order to qualify as a mutual fund trust, the Evolve ETF cannot at any time reasonably be considered to have been established and/or maintained primarily for the benefit of non-residents unless, at that time, substantially all of its property consists of property other than property that would be “taxable Canadian property” within the meaning of the Tax Act (if the definition of such term were read without reference to paragraph (b) of that definition).

In this connection, (i) the Manager intends to cause the Evolve ETF to qualify as a unit trust throughout the life of the Evolve ETF, (ii) the Evolve ETF’s undertaking conforms with the restrictions for mutual fund trusts, and (iii) the Manager intends to file the necessary election so that the Evolve ETF will qualify as a mutual fund trust from its inception in 2019 and the Manager has no reason to believe that the Evolve ETF will not comply with the Minimum Distribution Requirements before the 91st day after the end of its first taxation year (determined without regard to any taxation year-end that may be deemed to occur for other purposes under the rules in the Tax Act relating to “loss restriction events”) and at all times thereafter, thereby permitting the filing by the Evolve ETF of such election.

If the Evolve ETF were not to qualify or be deemed to qualify as a mutual fund trust at all times, the income tax considerations described below would, in some respects, be materially and adversely different than would be the case if it were a mutual fund trust.

Provided that the Evolve ETF qualifies as a “mutual fund trust” within the meaning of the Tax Act, or the Units are listed on a “designated stock exchange” within the meaning of the Tax Act (which includes the NEO), Units will be qualified investments under the Tax Act for a trust governed by an RRSP, a RRIF, a DPSP, an RDSP, an RESP or a TFSA (the “Plans”). See “Income Tax Considerations – Taxation of Registered Plans” for the consequences of holding Units in Plans.

Taxation of the Evolve ETF

The Evolve ETF must pay tax on its net income (including net realized taxable capital gains) for a taxation year, less the portion thereof that it deducts in respect of the amount paid or payable to its Unitholders in the year. An amount will be considered to be payable to a Unitholder in a year if it is paid to the Unitholder in that year by the Evolve ETF or if the Unitholder is entitled in that year to enforce payment of the amount. The Declaration of Trust requires that sufficient amounts be paid or made payable each year so that the Evolve ETF is not liable for any non-refundable income tax under Part I of the Tax Act.

With respect to indebtedness, the Evolve ETF will be required to include in its income for a taxation year all interest thereon that accrues (or is deemed to accrue) to it to the end of that year (or until the disposition of the indebtedness in that year, including on a conversion, redemption or repayment on maturity) or that has become receivable or is received by the Evolve ETF before the end of that year except to the extent that such interest was included in computing the Evolve ETFs income for a preceding year and excluding any interest that accrued prior to the time of the acquisition of the indebtedness by the Evolve ETF.

In general, the Evolve ETF will realize a capital gain (or capital loss) upon the actual or deemed disposition of a security included in its portfolio to the extent the proceeds of disposition net of any amounts included as interest on the disposition of the security and any reasonable costs of disposition exceed (or are less than) the adjusted cost base of such security unless the Evolve ETF were considered to be trading or dealing in securities or otherwise carrying on a business of buying and selling securities or the Evolve ETF has acquired the security in a transaction or transactions considered to be an adventure or concern in the nature of trade. The Evolve ETF will purchase the securities in its portfolio with the objective of receiving interest thereon and will take the position that gains and losses realized on the disposition of its securities are capital gains and capital losses. The Evolve ETF will make an election under subsection 39(4) of the Tax Act, if applicable, so that all securities held by the Evolve ETF that are “Canadian securities” (as defined in the Tax Act) will be deemed to be capital property to the Evolve ETF.

The Evolve ETF will be entitled for each taxation year throughout which it is a mutual fund trust for purposes of the Tax Act to reduce (or receive a refund in respect of) its liability, if any, for tax on its net realized capital gains by an amount determined under the Tax Act based on the redemptions of Units during the year (the “**Capital Gains Refund**”). The Capital Gains Refund in a particular taxation year may not completely offset the tax liability of the Evolve ETF for such taxation year which may arise upon the sale or other disposition of securities included in the portfolio in connection with the redemption of Units.

A loss realized by the Evolve ETF on a disposition of capital property will be a suspended loss for purposes of the Tax Act if the Evolve ETF, or a person affiliated with the Evolve ETF, acquires a property (a “**Substituted Property**”) that is the same as or identical to the property disposed of, within 30 days before and 30 days after the disposition and the Evolve ETF, or a person affiliated with the Evolve ETF, owns the Substituted Property 30 days after the original disposition. If a loss is suspended, the Evolve ETF cannot deduct the loss from the Evolve ETF’s capital gains until the Substituted Property is disposed of and is not reacquired by the Evolve ETF, or a person affiliated with the Evolve ETF, within 30 days before and after the disposition.

The Evolve ETF will be entitled to deduct an amount equal to the reasonable expenses that it incurs in the course of issuing Units. Such issue expenses paid by the Evolve ETF and not reimbursed will be deductible by the Evolve ETF ratably over a five-year period subject to reduction in any taxation year which is less than 365 days. In computing its income under the Tax Act, the Evolve ETF may deduct reasonable administrative and other expenses incurred to earn income.

Losses incurred by the Evolve ETF in a taxation year cannot be allocated to Holders, but may be deducted by the Evolve ETF in future years in accordance with the Tax Act.

Taxation of Holders

A Holder will generally be required to include in computing income for a particular taxation year of the Holder such portion of the net income of the Evolve ETF, including the taxable portion of any net realized capital gains, as is paid or becomes payable to the Holder by the Evolve ETF in that particular taxation year (whether in cash, in Units or reinvested in additional Units or whether as a Management Fee Distribution).

Under the Tax Act, the Evolve ETF is permitted to deduct in computing its income for a taxation year an amount that is less than the amount of its distributions of income for the year to the extent necessary to enable the Evolve ETF to use, in that taxation year, losses from prior years without affecting the ability of the Evolve ETF to distribute its income annually. In such circumstances, the amount distributed to a Holder of the Evolve ETF but not deducted by the Evolve ETF will not be included in the Holder's income. However, the adjusted cost base of the Holder's Units will be reduced by such amount. The non-taxable portion of the Evolve ETF's net realized capital gains for a taxation year, the taxable portion of which was designated in respect of a Holder for the taxation year, that is paid or becomes payable to the Holder for the year will not be included in computing the Holder's income for the year. Any other amount in excess of a Holder's share of the net income of the Evolve ETF for a taxation year that is paid or becomes payable to the Holder for the year (i.e. returns of capital) will not generally be included in the Holder's income for the year, but will reduce the adjusted cost base of the Holder's Units. To the extent that the adjusted cost base of a Unit to a Holder would otherwise be a negative amount, the negative amount will be deemed to be a capital gain and the adjusted cost base of the Unit to the Holder will be increased by the amount of such deemed capital gain to zero.

Provided that appropriate designations are made by the Evolve ETF, such portion of the net realized taxable capital gains of the Evolve ETF as is paid or becomes payable to a Holder will effectively retain its character and be treated as such in the hands of the Holder for purposes of the Tax Act.

Any loss of the Evolve ETF for purposes of the Tax Act cannot be allocated to, and cannot be treated as a loss of, a Holder.

On the disposition or deemed disposition of a Unit, including on a redemption, a Holder will realize a capital gain (or capital loss) to the extent that the Holder's proceeds of disposition (other than any amount payable by the Evolve ETF which represents capital gains allocated and designated to the redeeming Holder), net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of the Unit. For the purpose of determining the adjusted cost base of a Holder's Units, when additional Units are acquired by the Holder (as a result of a distribution by the Evolve ETF in the form of Units, a reinvestment in Units pursuant to the distribution reinvestment plan or otherwise), the cost of the newly acquired Units will be averaged with the adjusted cost base of all Units owned by the Holder as capital property immediately before that time. For this purpose, the cost of Units that have been issued on a distribution will generally be equal to the amount of the distribution. A consolidation of Units following a distribution paid in the form of additional Units as described under "Distribution Policy" will not be regarded as a disposition of Units and will not affect the aggregate adjusted cost base to a Holder. Any additional Units acquired by a Holder on the reinvestment of distributions will generally have a cost equal to the amount reinvested.

In the case of an exchange of Units for a Basket of Securities, a Holder's proceeds of disposition of Units would generally be equal to the aggregate of the fair market value of the distributed property and the amount of any cash received, less any capital gain realized by the Evolve ETF on the disposition of such distributed property. The cost to a Holder of any property received from the Evolve ETF upon the exchange will generally be equal to the fair market value of such property at the time of the distribution. In the case of an exchange of Units for a Basket of Securities, the investor may receive securities that may or may not be qualified investments under the Tax Act for Plans. If such securities are not qualified investments for Plans, such Plans (and, in the case of certain Plans, the annuitants, beneficiaries or subscribers thereunder or holders thereof) may be subject to adverse tax consequences. Investors should consult their own tax counsel for advice on whether or not such securities would be qualified investments for Plans.

Pursuant to the Declaration of Trust, the Evolve ETF may allocate and designate as payable any capital gains realized by the Evolve ETF as a result of any disposition of property of the Evolve ETF undertaken to permit or facilitate the redemption or exchange of Units to a Holder whose Units are being redeemed or exchanged. In addition, the Evolve ETF has the authority to distribute, allocate and designate any capital gains of the Evolve ETF to a Holder who has redeemed or exchanged Units during a year in an amount equal to the Holder's share, at the time of redemption or exchange, of the Evolve ETF's capital gains for the year. Any such allocations and designations will reduce the redemption price otherwise payable to the Holder and therefore the Holder's proceeds of disposition. Provided that

certain Tax Amendments are enacted as proposed, commencing in the Evolve ETF's first taxation year beginning on or after March 20, 2020, an amount so allocated and designated to a redeeming or exchanging Unitholder will only be deductible to the Evolve ETF to the extent of the gain that would otherwise be realized by the Unitholder on the redemption or exchange of Units.

In general, one-half of any capital gain (a “**taxable capital gain**”) realized by a Holder on the disposition of Units or a taxable capital gain designated by the Evolve ETF in respect of the Holder for a taxation year of the Holder will be included in computing the Holder's income for that year and one-half of any capital loss (an “**allowable capital loss**”) realized by the Holder in a taxation year of the Holder generally must be deducted from taxable capital gains realized by the Holder in the taxation year or designated by the Evolve ETF in respect of the Holder for the taxation year in accordance with the detailed provisions of the Tax Act. Allowable capital losses for a taxation year in excess of taxable capital gains for that taxation year may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent taxation year against taxable capital gains in accordance with the provisions of the Tax Act.

Each Holder who delivers subscription proceeds consisting of a Basket of Securities will be disposing of securities in exchange for Units. Assuming that such securities are held by the Holder as capital property for purposes of the Tax Act, the Holder will generally realize a capital gain (or a capital loss) in the taxation year of the Holder in which the disposition of such securities takes place to the extent that the proceeds of disposition for such securities, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such securities to the Holder. For this purpose, the proceeds of disposition to the Holder of securities disposed of will equal the aggregate of the fair market value of the Units received for the securities. The cost to a Holder of Units acquired in exchange for a Basket of Securities and cash (if any) will be equal to the aggregate of the cash paid (if any) to the Evolve ETF plus the fair market value of the securities disposed of in exchange for Units at the time of disposition, which sum would generally be equal to or would approximate the fair market value of the Units received as consideration in exchange for a Basket of Securities and cash (if any).

Amounts designated by the Evolve ETF to a Holder as taxable capital gains and taxable capital gains realized on the disposition of Units may increase the Holder's liability, if any, for alternative minimum tax.

Taxation of Registered Plans

Distributions received by Plans on Units and capital gains realized by Plans on the disposition of Units are generally not taxable under Part I of the Tax Act provided the Units are “qualified investments” for the Plan for purposes of the Tax Act.

Holders should consult with their own advisors regarding the tax implications of establishing, amending, terminating or withdrawing amounts from a Plan.

Notwithstanding the foregoing, the holder of a TFSA or RDSP, the annuitant of an RRSP or RRIF or the subscriber of an RESP will be subject to a penalty tax in respect of Units held by such Plan if such Units are a “prohibited investment” for such Plan for the purposes of the Tax Act. The Units will not be a “prohibited investment” for a trust governed by such a Plan unless the holder of the TFSA or RDSP, the annuitant of the RRSP or RRIF or the subscriber of the RESP, as applicable, (i) does not deal at arm's length with the Evolve ETF for purposes of the Tax Act, or (ii) has a “significant interest” as defined in the Tax Act in the Evolve ETF. Generally, a holder, annuitant or subscriber, as the case may be, will not have a significant interest in the Evolve ETF unless the holder, annuitant or subscriber, as the case may be, owns interests as a beneficiary under the Evolve ETF that have a fair market value of 10% or more of the fair market value of the interests of all beneficiaries under the Evolve ETF, either alone or together with persons and partnerships with which the holder, annuitant or subscriber, as the case may be, does not deal at arm's length. In addition, the Units will not be a prohibited investment if such Units are “excluded property” as defined in the Tax Act for a trust governed by a TFSA, RDSP, RRSP, RRIF or RESP.

Holders, annuitants or subscribers should consult their own tax advisors with respect to whether Units would be prohibited investments, including with respect to whether such Units would be excluded property.

Tax Implications of the Evolve ETF's Distribution Policy

The NAV per Unit of the Evolve ETF will, in part, reflect any income and gains of the Evolve ETF that have accrued or have been realized, but have not been made payable at the time Units were acquired. Accordingly, a Holder who acquires Units, including on a distribution of Units or on a reinvestment in Units, may become taxable on the Holder's share of such income and gains of the Evolve ETF. In particular, an investor who acquires Units at any time in the

year but prior to a distribution being paid or made payable will have to pay tax on the entire distribution (to the extent it is a taxable distribution) notwithstanding that such amounts may have been reflected in the price paid by the Holder for the Units.

ORGANIZATION AND MANAGEMENT DETAILS OF THE EVOLVE ETF

Manager

EFG is the trustee, manager, promoter and portfolio manager of the Evolve ETF and is responsible for the administration of the Evolve ETF. The Manager is registered as an investment fund manager and portfolio manager with the applicable Securities Regulatory Authorities in Canada. The registered office of the Evolve ETF and the Manager is located at 161 Bay Street, Suite 2700, Toronto, ON M5J 2S1.

The Manager performs or arranges for the performance of management services for the Evolve ETF, is responsible for the administration of the Evolve ETF and provides investment advisory and portfolio management services to the Evolve ETF with respect to its portfolio. The Manager is entitled to fees for its services as manager under the Declaration of Trust as described under “Fees and Expenses” and will be reimbursed for all reasonable costs and expenses incurred by the Manager on behalf of the Evolve ETF.

Duties and Services to be provided by the Manager

Pursuant to the Declaration of Trust, the Manager has full authority and responsibility to manage and direct the business and affairs of the Evolve ETF, to make all decisions regarding the business of the Evolve ETF and to bind the Evolve ETF. The Manager may delegate certain of its powers to third parties where, in the discretion of the Manager, it would be in the best interests of the Evolve ETF to do so.

The Manager is responsible for providing, or causing to be provided, management, administrative and portfolio advisory and investment management services to the Evolve ETF. The Manager’s duties include, without limitation:

- (i) negotiating contracts with certain third-party service providers, including but not limited to investment managers, sub-advisors, custodians, registrars, transfer agents, auditors and printers;
- (ii) authorizing the payment of operating expenses incurred on behalf of the Evolve ETF;
- (iii) maintaining accounting records;
- (iv) preparing the reports to Unitholders and to the applicable Securities Regulatory Authorities;
- (v) calculating the amount and determining the frequency of distributions by the Evolve ETF;
- (vi) preparing financial statements, income tax returns and financial and accounting information as required;
- (vii) ensuring that Unitholders are provided with financial statements and other reports as are required from time to time by applicable law;
- (viii) ensuring that the Evolve ETF complies with all other regulatory requirements including continuous disclosure obligations under applicable securities laws;
- (ix) administering purchases, redemptions and other transactions in Units;
- (x) arranging for any payments required upon termination of the Evolve ETF;
- (xi) dealing and communicating with Unitholders;
- (xii) providing office facilities and personnel to carry out these services, if not otherwise furnished by any other service provider to the Evolve ETF; and
- (xiii) monitoring the investment strategy of the Evolve ETF to ensure that the Evolve ETF complies with its investment objective, investment strategies and investment restrictions and practices.

The Manager is required to exercise its powers and discharge its duties honestly, in good faith and in the best interests of the Unitholders of the Evolve ETF, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The Declaration of Trust provides that the Manager will not be liable to the Evolve ETF or to any Unitholder or any other person for any loss or damage relating to any matter regarding the

Evolve ETF, including any loss or diminution of value of the assets of the Evolve ETF if it has satisfied its standard of care set forth above.

The administration and management services of the Manager under the Declaration of Trust are not exclusive and nothing in the Declaration of Trust prevents the Manager from providing similar administrative and management services to other investment funds and other clients (whether or not their investment objectives and policies are similar to those of the Evolve ETF) or from engaging in other activities.

The Manager and each of its directors, officers, employees and agents may be indemnified out of the assets of the Evolve ETF from and against all claims whatsoever, including costs, charges and expenses in connection therewith, brought, commenced or prosecuted against it for or in respect of any act, deed, matter or thing whatsoever made, done or omitted in or in relation to the execution of its duties to the Evolve ETF as long as the person acted honestly and in good faith with a view to the best interests of the Evolve ETF.

The Manager may resign upon 90 days' prior written notice to the Trustee or upon such lesser notice period as the Trustee may accept. The Manager may also be removed by the Trustee on at least 90 days' written notice to the Manager. The Manager is deemed to have resigned if the Manager ceases to (i) be resident in Canada for the purposes of the Tax Act; or (ii) carry out its functions of managing the Evolve ETF in Canada. The Trustee shall make every effort to select and appoint a successor manager prior to the effective date of the Manager's resignation.

Officers and Directors of the Manager

Prior to this role, Mr. Johnson served as Chief Operating Officer of Fiera Quantum Limited Partnership, an alternative investment manager. From 2010 to 2012, Mr. Johnson led technology management for a number of business lines at National Bank of Canada. Prior to 2012 he spent 13 years at GMP Capital Corp. in a variety of management roles across institutional brokerage, wealth management and asset management businesses. Mr. Johnson holds the Canadian Investment Manager (CIM) designation, the Derivatives Markets Specialist (DMS) designation and is a Fellow of the Canadian Securities Institute (FCSI). Mr. Johnson serves as a trustee on the boards of the Upper Canada College Foundation, and Trinity College at the University of Toronto where he is Chair of the Committee on Investments.

Executive Vice President, Head of Marketing and Director, EFG

Prior to joining EFG, Mr. Crone served as Vice President, Retail Markets at Fiera Capital Corporation, a prominent Canadian investment management firm with over \$100 billion in assets under management. Mr. Crone served as Vice President and Partner of Propel Capital Corporation (which was acquired by Fiera Capital Corporation in September 2014). Propel raised approximately \$1 billion in structured products in its five years of operation. Prior to Propel, Mr. Crone served as Senior Vice President, Sales within JovFunds Inc., the specialty investment arm of Jovian Capital Corporation. Prior to 2005, Mr. Crone served in various sales and marketing capacities at Dynamic Funds, which is now a wholly-owned subsidiary of Scotiabank.

In its capacity as portfolio manager, EFG is responsible for the oversight and provision of investment advisory services to the Evolve ETF, and all decisions are reviewed in a team-oriented manner. The portfolio of the Evolve ETF is primarily managed by Elliot Johnson, Chief Investment Officer, Chief Operating Officer, Chief Compliance Officer, Corporate Secretary and Director of the Manager. Investment decisions made by the portfolio manager are not subject to the oversight, approval or ratification of a committee.

Brokerage Arrangements

The Manager may utilize various brokers to effect securities transactions on behalf of the Evolve ETF. These brokers may directly provide the Manager with research and related services, in addition to executing transactions. Although the Evolve ETF may not benefit equally from each research and related service received from a broker, the Manager will endeavour to ensure that all of the Evolve ETF receive an equitable benefit over time. The Manager will monitor and evaluate the execution performance of its brokers with a view to determining whether steps should be taken to improve the quality of trade execution. When determining whether a broker should be added to the Manager's list of approved brokers, there are numerous factors that are considered including transaction cost, value of research, type and size of an order, speed and certainty of execution, responsiveness and trade matching quality.

Approved brokers will be monitored on a regular basis to ensure that the value of the goods and services, as outlined above, provides a reasonable benefit as compared to the amount of brokerage commissions paid for the goods and services.

Conflicts of Interest

The administration and management of the Manager are not exclusive and nothing in the Declaration of Trust prevents the Manager from providing similar services to other investment funds and other clients (whether or not their investment objectives and policies are similar to those of the Evolve ETF) or from engaging in other activities.

Investments in securities purchased by the Manager on behalf of the Evolve ETF and other investment funds managed by the Manager will be allocated to the Evolve ETF and such other investment funds on a fair and equitable basis according to the size of the order and the applicable investment restrictions and policies of the Evolve ETF and the other investment funds.

When it is determined that it would be appropriate for the Evolve ETF and one or more other investment accounts managed by the Manager or its affiliates to participate in an investment opportunity, the Manager will seek to make such investments for all of the participating investment accounts, including the Evolve ETF, on an equitable basis, taking into account such factors as the relative amounts of capital available for new investments and the investment programs and portfolio positions of the Evolve ETF and the affiliated entities for which participation is appropriate. Orders may be combined for all such accounts, and if any order is not filled at the same price, they may be allocated on an average price basis. Similarly, if an investment for the account of more than one account cannot be fully executed under prevailing market conditions, investments may be allocated among the different accounts on a basis which the Manager or its affiliates consider equitable. The Manager may recommend that the Evolve ETF sell a security, while not recommending such sale for other accounts in order to enable the Evolve ETF to have sufficient liquidity to honor Unitholders' repurchase requests.

The Declaration of Trust acknowledges that the Manager may provide services to the Evolve ETF in other capacities, provided that the terms of any such arrangement are no less favourable to the Evolve ETF than those that would be obtained from parties that are at arm's length for comparable services.

The Manager may at times have interests that differ from the interests of the Unitholders. Where the Manager or its respective affiliates otherwise perceive in the course of business, that they are or may be in a material conflict of interest position, the matter will be referred to the IRC. The IRC will consider all matters referred to it and provide its recommendations to the Manager as soon as possible. In evaluating these conflicts of interest, potential investors should be aware that the Manager has a responsibility to the Unitholders to exercise good faith and fairness in all dealings affecting the Evolve ETF. In the event that a Unitholder believes that the Manager has violated its duty to such Unitholder, the Unitholder may seek relief for itself or on behalf of the Evolve ETF to recover damages from or to require an accounting by the Manager. Unitholders should be aware that the performance by the Manager of its responsibilities to the Evolve ETF will be measured in accordance with (i) the provisions of the agreement by which the Manager has been appointed to its position with the Evolve ETF; and (ii) applicable laws.

No Designated Broker or Dealer has been involved in the preparation of this prospectus or has performed any review of the contents of this prospectus and, as such, the Designated Broker and the Dealers do not perform many of the usual underwriting activities in connection with the distribution by the Evolve ETF of its Units under this prospectus. Units does not represent an interest or an obligation of the Designated Broker, any Dealer or any affiliate thereof and a Unitholder does not have any recourse against any such parties in respect of amounts payable by the Evolve ETF to the Designated Broker or applicable Dealers.

A registered dealer acts as the Designated Broker and one or more registered dealers may act as a Dealer and/or a market maker. These relationships may create actual or perceived conflicts of interest that investors should consider in relation to an investment in the Evolve ETF. In particular, by virtue of these relationships, these registered dealers may profit from the sale and trading of Units. The Designated Broker, as market maker of the Evolve ETF in the secondary market, may therefore have economic interests that differ from, and may be adverse to, those of Unitholders. Any such registered dealer and its affiliates may, at present or in the future, engage in business with the Evolve ETF, with the issuers of securities making up the investment portfolio of the Evolve ETF or with the Manager or any funds sponsored by the Manager or its affiliates, including by making loans, entering into Derivative transactions or providing advisory or agency services to the Manager or its affiliates. In addition, the relationship between any such registered dealer and its affiliates and the Manager and its affiliates may extend to other activities, such as being part of a distribution syndicate for other funds sponsored by the Manager or its affiliates.

Independent Review Committee

As required by NI 81-107, the Manager has established an IRC to review all conflicts of interest matters identified and referred to the IRC by the Manager relating to the Evolve ETF managed by the Manager. The IRC reviews and gives its approval or recommendations as to the conflict of interests matters referred to it. A conflict of interest matter is a situation where a reasonable person would consider the Manager or an entity related to the Manager to have an interest that conflicts with the Manager's ability to act in good faith and in the best interest of the Evolve ETF. The IRC is also required to approve certain reorganizations involving the Evolve ETF and any change of the auditors of the Evolve ETF.

The IRC is made up of members who are independent. The Manager considers that an individual is independent if the individual is not a director, officer or employee of any of the Manager or an affiliate of the Manager for at least 5 years. In addition, the individual must be independent of management and free from any interest and any business or other relationship that could, or could reasonably be perceived to, materially interfere with the individual's ability to act with the view to the best interests of the Evolve ETF.

The members of the IRC are Kevin Drynan (Chair), Rod McIsaac and Mark Leung.

The IRC has a written charter that sets out its powers, duties and responsibilities. Additionally, pursuant to NI 81-107, the IRC assesses, at least annually, the adequacy and effectiveness of the following: the Manager's policies and procedures regarding conflict of interest matters; any standing instructions that the IRC gave to the Manager for conflict of interest matters related to the Evolve ETF; the compliance of the Manager and the Evolve ETF with any conditions imposed by the IRC on a recommendation or approval it has provided to the Manager; the independence and compensation of its members; the IRC's effectiveness as a committee; and the contribution of each member to the IRC.

The IRC prepares a report for Unitholders, at least annually, of its activities. Such report is made available on the Manager's website at www.evolvefunds.com or, at the request of a Unitholder and at no cost, by calling the Manager at (416)-214-4884 or toll-free at 1-844-370-4884 or by sending an email request to info@evolvefunds.com.

The members of the IRC are paid an annual fee for serving on the IRC of the investment funds in the Evolve ETF. Each investment fund, including the Evolve ETF, is responsible for a portion of that fee, which is allocated by the Manager among the various funds. Currently, annual fees are payable to the following members of the IRC as follows: Kevin Drynan (Chair, \$3,000), Rod McIsaac (\$2,250) and Mark Leung (\$2,250). In addition to the annual fee, each IRC member will receive an additional \$2,000 for each additional meeting held after the first two meetings in any year.

The investment funds in the EFG family of ETFs all share the same IRC. Fees and expenses of the IRC are borne and shared by all of the investment funds in the EFG family of ETFs.

Trustee

Pursuant to the Declaration of Trust, the Manager is also the trustee of the Evolve ETF. The Trustee may resign upon 90 days' notice to Unitholders and the Manager. The Trustee must be removed if the Trustee ceases to (i) be resident in Canada for purposes of the Tax Act; (ii) carry out its function of managing the Evolve ETF in Canada; or (iii) exercise the main powers and discretions of the Trustee in respect of the Evolve ETF in Canada. If the Trustee resigns or if it becomes incapable of acting as trustee, the Trustee may appoint a successor trustee prior to its resignation, and its resignation shall become effective upon the acceptance of such appointment by its successor. If no successor has been appointed within 90 days after the Trustee has provided the Manager with 90 days' notice of its intention to resign, the Evolve ETF will be terminated, and the property of the Evolve ETF shall be distributed in accordance with the terms of the Declaration of Trust.

The Declaration of Trust provides that the Trustee shall act honestly, in good faith and in the best interests of the Evolve ETF and shall perform its duties to the standard of care that a reasonably prudent person would exercise in the circumstances. In addition, the Declaration of Trust contains other customary provisions limiting the liability of the Trustee and indemnifying the Trustee in respect of certain liabilities incurred by it in carrying out the Trustee's duties.

At any time during which the Manager is the trustee, the Manager will receive no fee in respect of the provision of services as trustee.

Custodian

CIBC Mellon Trust Company, at its principal office in Toronto, Ontario, is custodian of the assets of the Evolve ETF pursuant to the Custodian Agreement. The Custodian has appointed qualified foreign sub-custodians in each jurisdiction in which the Evolve ETF has securities. The Manager or the Custodian may terminate the Custodian Agreement at any time upon ninety (90) days' written notice.

The Custodian is entitled to receive fees from the Manager as described under "Fees and Expenses" and to be reimbursed for all expenses and liabilities that are properly incurred by the Custodian in connection with the activities of the Evolve ETF.

Auditors

The auditors of the Evolve ETF are Ernst & Young LLP located at its principal offices in Toronto, Ontario. The auditors of the Evolve ETF may not be changed unless the IRC has approved the change and Unitholders have received at least 60 days' notice before the effective date of the change, or as otherwise required by Canadian Securities Legislation.

Registrar and Transfer Agent

TSX Trust Company, at its principal offices in Toronto, Ontario, is the Registrar and Transfer Agent for the Evolve ETF pursuant to registrar and transfer agency agreements entered into as of the date of the initial issuance of Units.

Fund Administrator

CIBC Mellon Global Securities Services Company, at its principal offices in Toronto, Ontario, is the Fund Administrator. The Fund Administrator is responsible for certain aspects of the day-to-day administration of the Evolve ETF, including NAV calculations, accounting for net income and net realized capital gains of the Evolve ETF and maintaining books and records with respect to the Evolve ETF.

Promoter

The Manager has taken the initiative in founding and organizing the Evolve ETF and is, accordingly, the promoter of the Evolve ETF within the meaning of securities legislation of certain provinces and territories of Canada. The Manager, in its capacity as manager of the Evolve ETF, receives compensation from the Evolve ETF. See "Fees and Expenses".

CALCULATION OF NAV

The NAV and NAV per Unit of the Evolve ETF are calculated by the Fund Administrator as of the Valuation Time on each Valuation Date. The NAV of the Evolve ETF on a particular date is equal to the aggregate value of the assets of the Evolve ETF less the aggregate value of the liabilities of the Evolve ETF, including any accrued management fees and any income, net realized capital gains or other amounts payable to Unitholders on or before such date, expressed in Canadian dollars. The NAV per Unit on any day is obtained by dividing the NAV of the Evolve ETF on such day by the applicable number of Units then outstanding.

Valuation Policies and Procedures of the Evolve ETF

In determining the NAV of the Evolve ETF at any time, the Fund Administrator uses the following valuation principles:

- a) cash on hand or on deposit, bills, demand notes, accounts receivable, prepaid expenses, cash dividends received or receivable and interest accrued and not yet received, shall be deemed to be the face value thereof unless the Manager has determined that any such deposit, bill, demand note, account receivable, prepaid expense, cash dividend received or receivable or interest is not worth the full face value, in which event the value thereof shall be deemed to be such value as the Manager determines to be reasonable;
- b) bonds, debentures, notes, money market instruments and other obligations shall be valued by taking the average of the most recently available bid and asked quotations at the Valuation Time on the Valuation Date;
- c) loans shall be valued at the Valuation Time on the Valuation Date in the following manner:

- (i) the bid-side quote determined by any of Loan Pricing Corporation, MarkIt Partners or any other nationally recognized loan pricing service selected by the Manager, as applicable; or
 - (ii) if such quote described in clause (i) above is not available, the average of the bid-side quotes determined by the Manager, as applicable, from three independent broker-dealers active in the trading of such asset; or (A) if only two such bids can be obtained, the average of the bid-side quotes of such two bids; or (B) if only one such bid can be obtained, such bid; or
 - (iii) if such quote or bid described in clauses (i) and (ii) above are not available, the value of such loan (expressed as a percentage of par) shall be the value assigned by the Manager based on its best estimate of fair value, taking into consideration all relevant factors, including, but not limited to, the earnings and cash flow of the applicable obligor, comparable loans and/or obligors in the market, credit ratings and/or market credit spreads, interest rate levels, liquidity levels and position concentration levels;
- d) any security which is listed or dealt in upon a stock exchange shall be valued at its current market value;
 - e) any security which is not listed or dealt in upon a stock exchange shall be valued at the most recently available sale price on the Valuation Date, or if such sale price is unavailable, the average of the bid and asked quotations immediately prior to the Valuation Time on the Valuation Date shall be used;
 - f) restricted securities shall be valued at the lesser of:
 - (i) the value thereof based on reported quotations in common use; and
 - (ii) that percentage of the market value of securities of the same class, the trading of which is not restricted or limited by reason of any representation, undertaking or agreement or by law, equal to the percentage that the Evolve ETF's acquisition cost was of the market value of such securities at the time of acquisition, as applicable, provided that a gradual taking into account of the actual value of the securities may be made where the date on which the restrictions will be lifted is known;
 - g) purchased or written clearing corporation options, options on futures, over-the-counter options, debt-like securities and listed warrants shall be valued at the current market value thereof;
 - h) where a covered clearing corporation option, option on futures or over-the-counter option is written, the premium received by the Evolve ETF shall be reflected as a deferred credit which shall be valued at an amount equal to the current market value of the clearing corporation option, option on futures or over-the-counter option that would have the effect of closing the position. Any difference resulting from revaluation shall be treated as an unrealized gain or loss on investment. The deferred credit shall be deducted in arriving at the NAV. The securities, if any, which are the subject of a written clearing corporation option or over-the-counter option shall be valued at their current market value;
 - i) the value of a futures contract, forward contract or other Derivatives, such as swap contracts or options on financial futures, shall be the gain or loss with respect thereto that would be realized if, at the Valuation Time, the position in the futures contract, or the forward contract, as the case may be, were to be closed out in accordance with its terms, unless "daily limits" are in effect, in which case fair value shall be based on the current market value of the underlying interest;
 - j) margin paid or deposited in respect of futures contracts and forward contracts shall be reflected as an account receivable and margin consisting of assets other than cash shall be noted as held as margin;
 - k) translating amounts in a foreign currency to Canadian currency shall be based on the rate of exchange in effect on the applicable Valuation Date, as quoted by a recognized source, at the Manager's sole discretion;
 - l) if any Valuation Date is not a business day in any jurisdiction which is relevant for the purposes of valuing investments of the Evolve ETF, the prices or quotations as of the preceding business day in such jurisdiction shall be used for the purposes of such valuation;
 - m) any security purchased, the purchase price of which has not been paid, shall be included for valuation purposes as a security held, and the purchase price, including brokers' commissions and other expenses, shall be treated as a liability of the Evolve ETF;

- n) any security sold, but not delivered, pending receipt of the proceeds, shall be excluded for valuation purposes as a security held, and the selling price, net of brokers' commissions and other expenses, shall be treated as an asset of the Evolve ETF; and
- o) if any investment cannot be valued under the foregoing rules or if the foregoing rules are at any time considered by the Manager to be inappropriate under the circumstances, then notwithstanding the foregoing rules, the Manager shall make such valuation as it considers fair and reasonable.

Unless otherwise indicated, for purposes hereof, "current market value" means the most recently available sale price applicable to the relevant security on the principal exchange on which it is traded immediately preceding the Valuation Time on the Valuation Date, provided that, if no sale has taken place on a Valuation Date, the average of the bid and asked quotations immediately prior to the Valuation Time on the Valuation Date shall be used.

For the purposes of the foregoing valuation policies, quotations may be obtained from any report in common use, or from a reputable broker or other financial institutions, provided always that the Manager shall retain sole discretion to use such information and methods as it deems to be necessary or desirable for valuing the assets of the Evolve ETF, including the use of a formula computation.

If any investment cannot be valued under the foregoing rules or if the foregoing rules are at any time considered by the Manager to be inappropriate under the circumstances, then notwithstanding the foregoing rules, the Manager shall make such valuation as it considers fair and reasonable under the circumstances and, if there is an industry practice, in a manner consistent with such industry practice for valuing such investment.

Pursuant to NI 81-106, investment funds calculate their NAV using fair value for purposes of securityholder transactions. The Manager considers the policies above to result in fair valuation of the securities held by the Evolve ETF in accordance with NI 81-106 and such policies have been approved by the Board of Directors of the Manager. Net assets of the Evolve ETF will continue to be calculated in accordance with the rules and policies of the Canadian Securities Administrators or any exemption therefrom that the Evolve ETF may obtain.

Reporting of NAV

The Manager will publish the NAV and NAV per Unit for the Evolve ETF following the Valuation Time on the Valuation Date on its website at www.evolvefunds.com.

ATTRIBUTES OF THE SECURITIES

Description of the Securities Distributed

The Evolve ETF is authorized to issue an unlimited number of classes or series of redeemable, transferable Units, each of which represents an undivided interest in the net assets of the Evolve ETF.

On December 16, 2004, the *Trust Beneficiaries' Liability Act, 2004* (Ontario) came into force. This statute provides that holders of units of a trust are not, as beneficiaries, liable for any default, obligation or liability of the trust if, when the default occurs or the liability arises: (i) the trust is a reporting issuer under the *Securities Act* (Ontario); and (ii) the trust is governed by the laws of the province of Ontario. The Evolve ETF is a reporting issuer under the *Securities Act* (Ontario) and the Evolve ETF is governed by the laws of Ontario by virtue of the provisions of the Declaration of Trust.

Certain Provisions of the Units

Each Unit entitles the holder thereof to one vote at meetings of Unitholders and to participate equally with all other Units with respect to all payments made to Unitholders, other than Management Fee Distributions, including distributions of net income and net realized capital gains and, on liquidation, to participate equally in the net assets of the Evolve ETF remaining after satisfaction of any outstanding liabilities that are attributable to Units. Notwithstanding the foregoing, the Evolve ETF may allocate and designate as payable certain capital gains to a Unitholder whose Units are being redeemed or exchanged as described under "Exchange and Redemption of Units – Allocations of Capital Gains to Redeeming or Exchanging Unitholders". All Units will be fully paid, with no liability for future assessments, when issued and will not be transferable except by operation of law. Unitholders are entitled to require the Evolve ETF to redeem its Units as outlined under "Exchange and Redemption of Units – Redemption of Units for Cash".

Exchange of Units for Baskets of Securities

As set out under “Exchange and Redemption of Units – Exchange of Units at NAV per Unit for Baskets of Securities and/or Cash”, Unitholders may exchange the applicable PNU (or an integral multiple thereof) of the Evolve ETF on any Trading Day for Baskets of Securities and/or cash, subject to the requirement that a minimum PNU be exchanged.

Redemptions of Units for Cash

On any Trading Day, Unitholders may redeem Units for cash at a redemption price per Unit equal to 95% of the closing price for the applicable Units on the NEO on the effective day of redemption, subject to a maximum redemption price per Unit equal to the NAV per Unit on the effective day of redemption, less any applicable administrative fee determined by the Manager, in its sole discretion, from time to time. Because Unitholders will generally be able to sell Units at the market price on the NEO through a registered broker or dealer subject only to customary brokerage commissions, Unitholders are advised to consult their brokers, dealers or investment advisers before redeeming its Units for cash.

Modification of Terms

All rights attached to the Units may only be modified, amended or varied in accordance with the terms of the Declaration of Trust. See “Unitholder Matters – Amendments to the Declaration of Trust”.

The Manager may amend the Declaration of Trust from time to time to redesignate the name of the Evolve ETF or to create a new class or series of units without notice to existing Unitholders of the Evolve ETF.

Voting Rights in the Portfolio Securities

Holders of Units will not have any voting rights in respect of the securities in the Evolve ETF’s portfolio.

UNITHOLDER MATTERS**Meetings of Unitholders**

Meetings of Unitholders of the Evolve ETF will be held if called by the Manager or upon the written request to the Manager of Unitholders of the Evolve ETF holding not less than 25% of the then outstanding Units.

Matters Requiring Unitholder Approval

NI 81-102 requires a meeting of Unitholders of the Evolve ETF to be called to approve certain changes as follows:

- (i) the basis of the calculation of a fee or expense that is charged to the Evolve ETF or its Unitholders is changed in a way that could result in an increase in charges to the Evolve ETF or to its Unitholders, except where (a) the Evolve ETF is at arm’s length with the person or company charging the fee; and (b) the Unitholders have received at least 60 days’ notice before the effective date of the change;
- (ii) a fee or expense, to be charged to the Evolve ETF or directly to its Unitholders by the Evolve ETF or the Manager in connection with the holding of Units that could result in an increase in charges to the Evolve ETF or its Unitholders, is introduced;
- (iii) the Manager is changed, unless the new manager of the Evolve ETF is an affiliate of the Manager;
- (iv) the fundamental investment objective of the Evolve ETF is changed;
- (v) the Evolve ETF decreases the frequency of the calculation of its NAV per Unit;
- (vi) other than a Permitted Merger for which Unitholder approval is not required, the Evolve ETF undertakes a reorganization with, or transfers its assets to, another mutual fund, if the Evolve ETF ceases to continue after the reorganization or transfer of assets and the transaction results in the Unitholders of the Evolve ETF becoming securityholders in the other mutual fund;
- (vii) the Evolve ETF undertakes a reorganization with, or acquires assets from, another mutual fund, if the Evolve ETF continues after the reorganization or acquisition of assets, the transaction results in the securityholders of the other mutual fund becoming Unitholders, and the transaction would be a material change to the Evolve ETF; or

- (viii) any matter which is required by the constitutive documents of the Evolve ETF, by the laws applicable to the Evolve ETF or by any agreement to be submitted to a vote of the Unitholders.

In addition, the auditors of the Evolve ETF may not be changed unless the IRC of the Evolve ETF has approved the change and Unitholders have received at least 60 days' notice before the effective date of the change.

Approval of Unitholders of the Evolve ETF of any such matter will be given if a majority of the votes cast at a meeting of Unitholders of the Evolve ETF duly called and held for the purpose of considering the same approve the related resolution.

Amendments to the Declaration of Trust

The Trustee may amend the Declaration of Trust from time to time but may not, without the approval of a majority of the votes of Unitholders of the Evolve ETF voting at a meeting of Unitholders duly called for such purpose, make any amendment relating to any matter in respect of which NI 81-102 requires a meeting, as set out above, or any amendment that will adversely affect the voting rights of Unitholders. All Unitholders of the Evolve ETF shall be bound by an amendment affecting the Evolve ETF from the effective date of the amendment.

Permitted Mergers

The Evolve ETF may, without Unitholder approval, enter into a merger or other similar transaction (a "**Permitted Merger**") that has the effect of combining the Evolve ETF with any other investment fund or funds that have investment objectives, valuation procedures and fee structures that are similar to the Evolve ETF, subject to:

- (i) approval of the merger by the IRC;
- (ii) compliance with certain merger pre-approval conditions set out in NI 81-102; and
- (iii) written notice being sent to Unitholders at least 60 days before the effective date of the merger.

In connection with a Permitted Merger, the merging funds will be valued at their respective NAVs and Unitholders of the Evolve ETF will be offered the right to redeem its Units for cash at the applicable NAV per Unit.

Accounting and Reporting to Unitholders

The fiscal year-end of the Evolve ETF is December 31. The Evolve ETF will deliver or make available to Unitholders: (i) the audited annual financial statement; (ii) the unaudited interim financial statement; and (iii) annual and interim management reports of fund performance. Such documents are, or will be, incorporated by reference into, and form an integral part of, this prospectus. See "Documents Incorporated by Reference".

Each Unitholder will also be mailed annually, by his, her or its broker, as and when required under applicable law, information necessary to enable such Unitholder to complete an income tax return with respect to amounts paid or payable by the Evolve ETF owned by such Unitholder in respect of the preceding taxation year of the Evolve ETF. Neither the Manager nor the Registrar and Transfer Agent are responsible for tracking the adjusted cost base of a Unitholder's Units. Unitholders should consult with their tax or investment adviser in respect of how to compute the adjusted cost base of its Units and in particular how distributions made by the Evolve ETF to a Unitholder affect the Unitholder's tax position. See "Income Tax Considerations".

The Manager will ensure that the Evolve ETF complies with all applicable reporting and administrative requirements. The Manager will also ensure that adequate books and records are kept reflecting the activities of the Evolve ETF. A Unitholder or his, her or its duly authorized representative has the right to examine the books and records of the Evolve ETF during normal business hours at the offices of the Fund Administrator. Notwithstanding the foregoing, a Unitholder shall not have access to any information that, in the opinion of the Manager, should be kept confidential in the interests of the Evolve ETF.

International Information Reporting

The Tax Act includes provisions which implement the Organization for Economic Co-operation and Development Common Reporting Standard and the Canada-United States Enhanced Tax Information Exchange Agreement (the "**International Information Exchange Legislation**"). Pursuant to the International Information Exchange Legislation, certain "Canadian financial institutions" (as defined in the International Information Exchange Legislation) are required to have procedures in place, in general terms, to identify accounts held by residents of foreign countries or by certain entities organized in, or the "controlling persons" of which are resident in, a foreign country (or, in the case of the U.S., of which the holder or any such controlling person is a citizen or resident, including U.S.

persons not residing in the U.S.) and to report required information to the CRA. Under the International Information Exchange Legislation, Unitholders may be required to provide certain information including citizenship, tax residence and tax identification numbers, which information may be required to be reported to the CRA unless the investment is held within a Plan (as defined in the section entitled “Income Tax Considerations – Taxation of Registered Plans”). Such information is exchanged by the CRA on a reciprocal, bilateral basis with the countries in which the account holder or any such controlling person is resident (or of which such holder or person is a citizen or resident, where applicable), where such countries (including the U.S.) have agreed to a bilateral information exchange with Canada to which the International Information Exchange Legislation applies.

TERMINATION OF THE EVOLVE ETF

The Evolve ETF may be terminated by the Manager on at least sixty (60) days’ notice to Unitholders of such termination and the Manager will issue a press release in advance thereof. The Manager may also terminate the Evolve ETF if the Trustee resigns or becomes incapable of acting and is not replaced. The rights of Unitholders to exchange and redeem Units described under “Exchange and Redemption of Units – Exchange of Units at NAV per Unit for Baskets of Securities and/or Cash” and “Exchange and Redemption of Units – Redemption of Units for Cash” will cease as and from the date of termination of the Evolve ETF.

The Trustee shall be entitled to retain out of any assets of the Evolve ETF, at the date of termination of the Evolve ETF, full provision for all costs, charges, expenses, claims and demands incurred or believed by the Trustee to be due or to become due in connection with or arising out of the termination of the Evolve ETF and the distribution of its assets to the Unitholders of the Evolve ETF. Out of the moneys so retained, the Trustee is entitled to be indemnified and saved harmless against all costs, charges, expenses, claims and demands. Upon such termination, the Constituent Securities, cash and other assets based on NAV remaining after paying or providing for all liabilities and obligations of the Evolve ETF shall be distributed pro rata among the Unitholders of the Evolve ETF.

PLAN OF DISTRIBUTION

Units are being offered for sale on a continuous basis by this prospectus and there is no maximum number of Units that may be issued. The Units shall be offered for sale at a price equal to the NAV of such class of Units determined at the Valuation Time on the effective date of the subscription order.

Non-Resident Unitholders

At no time may (i) non-residents of Canada, (ii) partnerships that are not Canadian partnerships or (iii) a combination of non-residents of Canada and such partnerships (all as defined in the Tax Act) be the beneficial owners of a majority of the Units (on either a number of Units or fair market value basis) and the Manager shall inform the Registrar and Transfer Agent of the Evolve ETF of this restriction. The Manager may require declarations as to the jurisdictions in which a beneficial owner of Units is resident and, if a partnership, its status as a Canadian partnership. If the Manager becomes aware, as a result of requiring such declarations as to beneficial ownership or otherwise, that the beneficial owners of 40% of the Units then outstanding (on either a number of Units or fair market value basis) are, or may be, non-residents and/or partnerships that are not Canadian partnerships, or that such a situation is imminent, the Manager may make a public announcement thereof. If the Manager determines that more than 40% of the Units (on either a number of Units or fair market value basis) are beneficially held by non-residents and/or partnerships that are not Canadian partnerships, the Manager may send a notice to such non-residents and/or partnerships, chosen in inverse order to the order of acquisition or in such manner as the Manager may consider equitable and practicable, requiring them to sell their Units or a portion thereof within a specified period of not less than 30 days. If the Unitholders receiving such notice have not sold the specified number of Units or provided the Manager with satisfactory evidence that they are not non-residents or partnerships other than Canadian partnerships within such period, the Manager may on behalf of such Unitholders sell such Units and, in the interim, shall suspend the voting and distribution rights attached to such Units. Upon such sale, the affected holders shall cease to be beneficial holders of Units and their rights shall be limited to receiving the net proceeds of sale of such Units.

Notwithstanding the foregoing, the Manager may determine not to take any of the actions described above if the Manager has been advised by legal counsel that the failure to take any of such actions would not adversely impact the status of the Evolve ETF as a mutual fund trust for purposes of the Tax Act or, alternatively, may take such other action or actions as may be necessary to maintain the status of the Evolve ETF as a mutual fund trust for purposes of the Tax Act.

RELATIONSHIP BETWEEN THE EVOLVE ETF AND THE DEALERS

The Manager, on behalf of the Evolve ETF, may enter into various agreements with registered dealers (that may or may not be the Designated Broker) pursuant to which the Dealers may subscribe for Units as described under “Purchases of Units”.

No Designated Broker or Dealer has been involved in the preparation of this prospectus or has performed any review of the contents of this prospectus and, as such, the Designated Broker and the Dealers do not perform many of the usual underwriting activities in connection with the distribution by the Evolve ETF of its Units under this prospectus. Units does not represent an interest or an obligation of the applicable Designated Broker, any Dealer or any affiliate thereof and a Unitholder does not have any recourse against any such parties in respect of amounts payable by the Evolve ETF to the applicable Designated Broker or applicable Dealers. See “Organization and Management Details of the Evolve ETF - Conflicts of Interest”.

PRINCIPAL HOLDERS OF UNITS

CDS & Co., the nominee of CDS, is or will be the registered owner of the Units, which it holds for various brokers and other persons on behalf of their clients and others. From time to time, a Designated Broker, Dealer, Evolve ETF or another investment fund managed by the Manager or an affiliate thereof, may beneficially own, directly or indirectly, more than 10% of the Units.

PROXY VOTING DISCLOSURE FOR PORTFOLIO SECURITIES HELD

The Manager has established policies and procedures with respect to the voting of proxies received from issuers of securities held in the Evolve ETF’s portfolio (the “**Proxy Voting Policy**”). The Manager’s Proxy Voting Policy provides that the Manager will vote (or refrain from voting) proxies for the Evolve ETF for which it has voting power in the best economic interests of the Evolve ETF. The Proxy Voting Policy is not exhaustive and due to the variety of proxy voting issues that the Manager may be required to consider, are intended only to provide guidance and are not intended to dictate how proxies are to be voted in each instance. The Manager may depart from the Proxy Voting Policy in order to avoid voting decisions that may be contrary to the best interests of the Evolve ETF.

The Manager will publish these records on an annual basis on the Evolve ETF’s website at www.evolvefunds.com. The Evolve ETF’s proxy voting record for the annual period from July 1 to June 30 is available at any time after August 31 following the end of that annual period, to any Unitholder on request, at no cost, and is also be available at www.evolvefunds.com.

MATERIAL CONTRACTS

The only contracts material to the Evolve ETF are the Declaration of Trust and Custodian Agreement.

Copies of these agreements may be examined at the head office of the Manager at 161 Bay Street, Suite 2700, Toronto, ON M5J 2S1.

LEGAL AND ADMINISTRATIVE PROCEEDINGS

The Evolve ETF is not involved in any legal proceedings, nor is the Manager aware of existing or pending legal or arbitration proceedings involving the Evolve ETF.

EXPERTS

The auditors of the Evolve ETF, Ernst & Young LLP, Chartered Professional Accountants, Licensed Public Accountants, have consented to the use of their report dated November 15, 2019 to the Unitholders of the Evolve ETF. Ernst & Young LLP has advised that it is independent with respect to the Evolve ETF within the meaning of the Rules of Professional Conduct of the Chartered Professional Accountants of Ontario.

EXEMPTIONS AND APPROVALS

The Manager, on behalf of the Evolve ETF, has obtained exemptive relief from the Securities Regulatory Authorities:

- (a) to permit a Unitholder to acquire more than 20% of the Units through purchases on the NEO without regard to the takeover bid requirements of applicable Canadian Securities Legislation; and
- (b) to relieve the Evolve ETF from the requirement that a prospectus contain a certificate of the underwriters.

PURCHASERS' STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase exchange traded mutual fund securities within 48 hours after the receipt of a confirmation of a purchase of such securities. In several of the provinces and territories of Canada, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation, or for non-delivery of the ETF Facts, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory.

The purchaser should refer to the applicable provisions of the securities legislation of the province or territory for the particulars of these rights or should consult with a legal adviser.

High Interest Savings Account ETF (the “**Evolve ETF**”)

Opinion

We have audited the financial statement of the Evolve ETF, which comprises the statement of financial position as at November 15, 2019 and notes to the financial statement, including a summary of significant accounting policies.

In our opinion, the accompanying financial statement of the Evolve ETF presents fairly, in all material respects, the financial position of the Evolve ETF as at November 15, 2019 in accordance with those requirements of International Financial Reporting Standards (IFRSs) relevant to preparing such financial statement.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statement* section of our report. We are independent of the Evolve ETF in accordance with the ethical requirements that are relevant to our audit of the financial statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with those requirements of IFRSs relevant to preparing such financial statement, and for such internal control as management determines is necessary to enable the preparation of a financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is responsible for assessing the Evolve ETF's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Evolve ETF or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Evolve ETF's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial statement.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Evolve ETF's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Evolve ETF's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Evolve ETF to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statement, including the disclosures, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

HIGH INTEREST SAVINGS ACCOUNT ETF
(the “Evolve ETF”)

Notes to the Financial Statement

November 15, 2019

1. General Information

The Evolve ETF is an exchange traded mutual fund established under the laws of the Province of Ontario, pursuant to the terms of the Declaration of Trust. The Evolve ETF is a mutual fund under the securities legislation of the provinces and territories of Canada. Evolve Funds Group Inc. is the promoter, trustee, manager and investment manager of the Evolve ETF and is responsible for the administration of the Evolve ETF.

The principal office of the Evolve ETF and Evolve Funds Group Inc. is located at 161 Bay Street, Suite 2700, Toronto, ON M5J 2S1.

The financial statement as at November 15, 2019 was authorized for issue by the Manager on November 15, 2019.

2. Summary of Significant Accounting Policies

The principal accounting policies applied in the preparation of the financial statement are set out below.

2.1 Basis of Preparation

The financial statement of the Evolve ETF has been prepared in accordance with International Financial Reporting Standards (IFRS), as issued by the International Accounting Standards Board (IASB), relevant to preparing statements of financial position. The financial statement of the Evolve ETF has been prepared under the historical cost convention.

2.2 Functional and Presentation Currency

The financial statement of the Evolve ETF is presented in Canadian dollars, which is the functional and presentation currency of the Evolve ETF.

2.3 Financial Instruments

The Evolve ETF recognizes financial instrument at fair value upon initial recognition, plus transaction costs in the case of financial instruments measured at amortized cost. Regular way purchases and sales of financial assets are recognized at their trade date.

Cash comprises amounts held in trust with the legal counsel of the Evolve ETF and is stated at fair value.

2.4 Redeemable Units

The Evolve ETF is authorized to issue an unlimited number of classes and series redeemable, transferable units, each of which represents an undivided interest in the net assets of that class of the Evolve ETF (the “Units”). The Units are classified as financial liabilities in accordance with the requirements of International Accounting Standard 32, Financial Instruments: Presentation.

3. Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The carrying values of cash and the obligation of the Evolve ETF for net assets attributable to holders of redeemable units approximate their fair values due to their short-term nature.

4. **Risks associated with financial instruments**

The Evolve ETF's overall risk management program seeks to maximize the returns derived for the level of risk to which the Evolve ETF is exposed and seeks to minimize potential adverse effects on the Evolve ETF's financial performance.

4.1 *Credit risk*

The Evolve ETF is exposed to credit risk, which is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. As at November 15, 2019, the credit risk is considered limited as the cash balance was held in trust by counsel to the Evolve ETF.

4.2 *Liquidity risk*

Liquidity risk is the risk that the Evolve ETF will encounter difficulty in meeting obligations associated with financial liabilities. The Evolve ETF maintains sufficient cash on hand to fund anticipated redemptions.

5. **Capital Risk Management**

The capital of the Evolve ETF is represented by the net assets attributable to holders of Units. The amount of net assets attributable to holders of redeemable units can change.

6. **Authorized units**

The Evolve ETF is authorized to issue an unlimited number of redeemable, transferable Units, each of which represents an undivided interest in the net assets of the Evolve ETF.

Each Unit entitles the owner to one vote at meetings of Unitholders and is entitled to participate equally with all other Units with respect to all payments made to Unitholders, other than management fee distributions, including distributions of net income and net realized capital gains and, on liquidation, to participate equally in the net assets of the Evolve ETF remaining after satisfaction of any outstanding liabilities that are attributable to Units. All Units are fully paid, with no liability for future assessments, when issued and will not be transferable except by operation of law.

In accordance with the objectives outlined in Note 1 and the risk management policies in Note 4, the Evolve ETF endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemptions.

The Manager has initially purchased one Unit of the Evolve ETF.

7. **Management Fees and other expenses**

Unless otherwise waived or reimbursed by the Manager, the Evolve ETF pays an annual management fee (the "**Management Fee**") to the Manager for acting as trustee, manager and portfolio manager of the Evolve ETF equal to a percentage of the NAV of the Evolve ETF, calculated daily and payable monthly in arrears, plus applicable taxes, as follows:

Evolve ETF	Management Fee
HISA	0.15% of NAV

The Manager pays for the operating expenses of the Evolve ETF ("**Operating Expenses**"), including but not limited to: mailing and printing expenses for periodic reports to Unitholders; fees payable to the Registrar and Transfer Agent and Custodian; any reasonable out of pocket expenses incurred by the Manager or its agents in connection with their ongoing obligations to the Evolve ETF; IRC committee member fees and expenses in connection with the IRC;

expenses related to compliance with NI 81-107; fees and expenses relating to voting of proxies by a third party; insurance coverage for the members of the IRC; fees payable to the auditors and legal advisors of the Evolve ETF; regulatory filing, stock exchange and licensing fees and CDS fees; banking and interest with respect to any borrowing (if applicable); website maintenance costs; costs and expenses of complying with all applicable laws, regulations and policies, including expenses and costs incurred in connection with the continuous public filing requirements such as permitted prospectus preparation and filing expenses; and legal, accounting and audit fees and fees and expenses of the Trustee, Custodian and Manager which are incurred in respect of matters not in the normal course of the Evolve ETF's activities. The Manager is not obligated to pay any other expense, cost or fee, including those arising from new government or regulatory requirements relating to the foregoing expenses, costs and fees.

Subject to compliance with NI 81-102, the fund expenses which are payable by the Evolve ETF include any taxes payable by the Evolve ETF to which the Evolve ETF may be subject, including income taxes, sales taxes (including GST/HST) and/or withholding taxes; expenditures incurred upon termination of the Evolve ETF; extraordinary expenses that the Evolve ETF may incur and all amounts paid on account of any indebtedness (if applicable); any expenses of insurance and costs of all suits or legal proceedings in connection with the Evolve ETF or the assets of the Evolve ETF or to protect the Unitholders, the Trustee, the Manager, and the directors, officers, employees or agents of any of them; any expenses of indemnification of the Trustee, the Unitholders, the Manager and the directors, officers, employees or agents of any of them to the extent permitted under the Declaration of Trust; and expenses relating to the preparation, printing and mailing of information to Unitholders in connection with meetings of Unitholders. The Evolve ETF is also responsible for all commissions and other costs of portfolio transactions and any extraordinary expenses of the Evolve ETF which may be incurred from time to time.
