A WORD ABOUT TAX

In general, you’ll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

HOW MUCH DOES IT COST?

The following tables show the fees and expenses you could pay to buy, own and sell Hedged Class A Mutual Fund Units of the fund. The fees and expenses – including any commissions – can vary among classes of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other classes, funds and investments that may be suitable for you at a lower cost.

1. Sales charges

Sales Charge Option	What You Pay in Percent (%)	What You Pay in Dollars (\$)	How it Works
Initial sales charge	0% to 5% of the amount you buy	\$0 to \$50 on every \$1,000 you buy	You and your representative decide on the rate.
			The initial sales charge is deducted from the amount you buy. It goes into your representative's firm as a commission.

2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the fund's returns. As of December 31, 2019, the fund's expenses were 0.28% of its value. This equals \$2.80 for every \$1,000 invested.

More about the trailing commissions

The trailing commission is an ongoing commission. It is paid for as long as you own the fund. It is for the services and/or advice that your representative and/or their firm provide to you. Evolve pays the trailing commission to your representative's firm. It is paid from the fund's management fee and is based on the value of your investment. The rate depends on the sales charge option you choose.

Trailing commission: 1.00% of the value of your investment each year. This equals \$10.00 each year for every \$1,000 invested.

3. Other fees

You may have to pay other fees when you buy, hold, sell or switch units of the fund.

Fee	What You Pay
Short-term trading fee	Up to 2% of the value of units you sell within 30 days of buying them in circumstances where the Manager determines that the trading activity represents market timing of excessive short-term trading. This fee goes to the fund.
Switch fee	Your representative's firm may charge you up to 2% of the value of units you switch to another Evolve Funds Group Inc. mutual fund. There is no fee payable to Evolve Funds Group Inc. for any switches of units.
