**INVESTMENT OBJECTIVE**

LEAD seeks to provide investors with long-term capital appreciation by investing primarily in a diversified mix of equity securities of companies located domestically or internationally that are determined to be leaders in sectors that stand to benefit from medium and long term economic trends.

**PORTFOLIO MANAGER**

Evolve will act as portfolio manager for LEAD and intends to implement this strategy across four sectors where clear trends are driving future growth. Evolve will use a selection process that combines quantitative techniques, fundamental analysis and risk management, with the ability to write covered call options on up to 33% of the portfolio securities, at its discretion. The level of covered call option writing may vary based on market volatility and other factors.

**Who Should Consider This ETF?**

Investors:

- Seeking long-term capital appreciation through exposure to equity securities of domestic and international companies that are leaders in sectors that stand to benefit from medium and long term economic trends
- Willing to take the risk associated with equity investments
- Seeking increased yield from a covered call strategy

## DISCLAIMER

Commissions, trailing commissions, management fees and expenses all may be associated with exchange traded funds (ETFs) and mutual funds. Please read the prospectus before investing. ETFs and mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated. There are risks involved with investing in ETFs and mutual funds. Please read the prospectus for a complete description of risks relevant to the ETF and mutual fund. Investors may incur customary brokerage commissions in buying or selling ETF and mutual fund units. Investors should monitor their holdings, as frequently as daily, to ensure that they remain consistent with their investment strategies.
