### INVESTMENT OBJECTIVE

LEAD seeks to provide investors with long-term capital appreciation by investing primarily in a diversified mix of equity securities of companies located domestically or internationally that are determined to be leaders in sectors that stand to benefit from medium and long term economic trends.

### PORTFOLIO MANAGER

Evolve will act as portfolio manager for LEAD and intends to implement this strategy across four sectors where clear trends are driving future growth. Evolve will use a selection process that combines quantitative techniques, fundamental analysis and risk management, with the ability to write covered call options on up to 33% of the portfolio securities, at its discretion. The level of covered call option writing may vary based on market volatility and other factors.
