Sub-Advisor

Addenda Capital ("Addenda") is one of Canada's largest multi-asset investment firms, with over \$38.1 billion in assets under management*, including \$26.1 billion in fixed income and \$1.2 billion in preferred shares. Addenda's client base is primarily made up of pension, private wealth, insurance, corporations and foundations. Addenda is owned by The Co-operators Insurance Company, one of Canada's largest insurance companies with over 5,000 employees and founded in 1945. Source: Addenda Capital, as at December 31, 2021. *Includes \$1.5 billion in Advisory assets and \$354 million in Overlay assets.

* Source: Addenda Capital. Yield changes daily based on market conditions. Current yield is gross of MER as at March 29, 2022.

The indicated rates of return are the historical annual compound total returns net of fees (except for figures of one year or less, which are simple total returns) including changes in per unit value and reinvestment of all dividends or distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. The rates of return shown in the table are not intended to reflect future values of the ETF and mutual fund or returns on investment in the ETF and mutual fund. ETFs and mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.

Commissions, trailing commissions, management fees and expenses all may be associated with exchange traded funds (ETFs) and mutual funds. Please read the prospectus before investing. There are risks involved with investing in ETFs and mutual funds. Please read the prospectus for a complete description of risks relevant to the ETF and mutual fund. Investors may incur customary brokerage commissions in buying or selling ETF and mutual fund units. Investors should monitor their holdings, as frequently as daily, to ensure that they remain consistent with their investment strategies.

Investors should monitor their holdings, as frequently as daily, to ensure that they remain consistent with their investment strategies.
