Index Provider

CF Benchmarks Ltd. We believe that robust indices of high integrity are essential to the development of the cryptocurrency asset class and its continued adoption by ever more individual and institutional investors. Our indices power a wide range of financial products including derivative contracts, investment funds and structured products. Combining indexing techniques that have been tried and tested in traditional asset classes with concepts unique to cryptocurrencies, furthering adoption of the asset class. Robust Processes and Technology. CF Benchmarks has developed state of the art technology to ensure its indices are provided to the utmost precision in a timely manner, 24/7. Its quality assurance processes ensure that the indices it provides are suitable for even the most demanding users. CF Benchmarks is committed to the highest degree of transparency in its administration of indices. Full index methodologies alongside our key policies are publicly available at <https://www.cfbenchmarks.com/indices/BRTI> and all announcements are made through our news channel. All indices are subject to independent oversight and minutes of oversight meeting are made publicly available. Our indices have been designed to facilitate replication both organically and through licensed financial products. Investors can gain exposure to the performance of our indices through leading financial institutions including; CME Group, Evolve Funds and WisdomTree.
