³ For the period ending April 28, 2023. The indicated rates of return are the historical annual compound total returns net of fees (except for figures of one year or less, which are simple total returns) including changes in per unit value and reinvestment of all dividends or distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. The rates of return shown in the table are not intended to reflect future values of the ETF or returns on investment in the ETF. ETFs are not guaranteed, their values change frequently, and past performance may not be repeated.

⁴ Performance since inception on September 28, 2017.

⁵ The S&P/TSX Preferred Share Index (TXPRAR Index) is designed to track to the performance of the Canadian preferred stock market.
